PRESIDENT ANDREW STEWART
B.S.A., M.A., LL.D.

This is the Jubilee Year of the Province of Alberta. Alberta is a good place to be, and we are a favoured people. It is well for us to remember how much we have been, and are, dependent on others.

Most of the knowledge which has served to make life pleasant here has come to us through the free flow of ideas. Alberta's richest inheritance has been the people with ideas who moved into this Province from elsewhere.

As Albertans we should be quick to defend and promote the freest possible exchange of ideas; and should ensure that this Province gives, as it has received, to the advancement of knowledge for the good of all people.

These are functions of the University, of which students, staff and graduates are all a part.

1954 brought about the opening of the million dollar agriculture building, located on the north-east corner of the campus. This building is one of the most modern agricultural research centers in Canada. For the one hundred students enrolled in agriculture there are twenty research laboratories, eight study laboratories, and accommodation for live animals which are used for research purposes.

The structure is so planned that an addition may be added on the west wall in case of increased enrollment. The new building is a real spotlight on agriculture in Alberta, and indeed a fine landmark to the University campus.

Training men in scientific thinking and application of technical knowledge to everyday living is the aim of the Faculty of Engineering.

The Faculty boasts a new modern building, completed last year, to accommodate the enrollment of over 500 students. Due to the large number of men it may be necessary to extend this new building in the near future.

President's Message

May I express my very sincere appreciation for the wholehearted support and co-operation of all of you who have made this past year such a success. I assure you that the memories and friendships which we have made during our associations together, will be in the years to come the fulfillment of our life here at University. Not only has it been an honour for me to have been your president, but it has been a most enjoyable experience, the memory of which time will never darken.

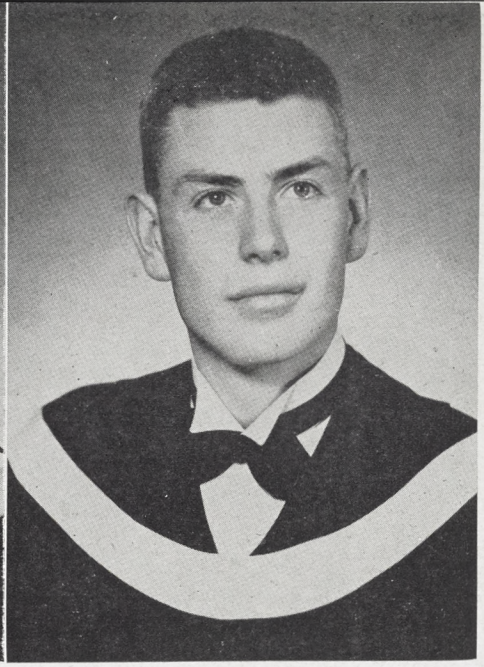

To the members of Students' Council and to those who have done so much to make a success of their organizations, may I extend my sincerest thanks and also express the wish that your future will hold for you great promise and achievement.

CLARA ANGELTVEDT
Vice-President.

JOHN BECKINGHAM

Student Government

The University of Alberta was accorded a singular honour this year when Doug Burns, former Students' Union President, was elected to the full-time presidency of the National Federation of Canadian University Students. Doug was the first Canadian student ever elected to this position.

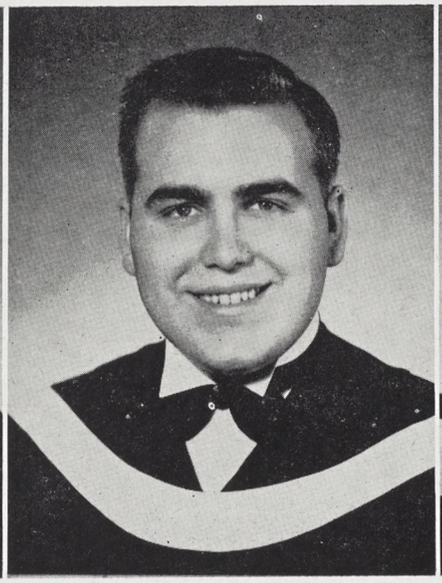

In his new post Doug represented Canadian students at international student gathering and also directed the national activities of the Federation. During the fall, he interviewed Prime Minister Louis St. Laurent regarding the government scholarship and bursary campaign conducted during the year by N.F.C.U.S. Doug's leadership has proved to be a milestone in the history of both the national federation and of the students of our university.

In the field of student affairs, the Students' Council is the students' own government. This is the body in which is vested the legislative, executive and administrative powers of the Students' Union. Each spring this group is selected at a general student election to represent the student body for the succeeding year. It is composed of twenty-two members and meets once every two weeks in the Students' Union Building.

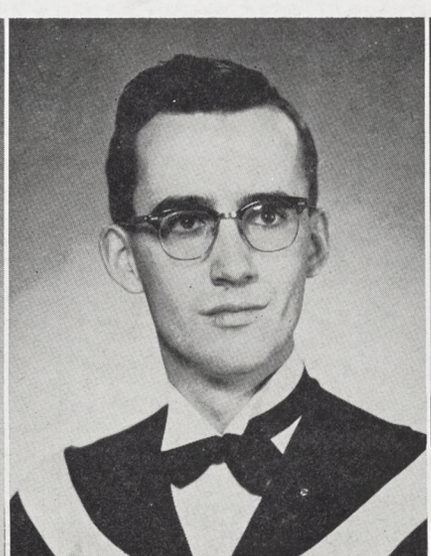

In the sphere of extra-curricular activities the year 1954-55 has been a very successful one for the students at the University of Alberta. This success was in large measure the result of the time and effort spent in the planning and co-ordinating of these activities by Students' Council under the capable leadership of President Bob Edgar.

The Wauneita Society is composed of all the girls on the campus. During Frosh Week coffee parties, a formal tea, and a special initiation ceremony (below) are held to welcome the Freshettes. The first big formal of the year is presented by this organization, and this year, with the theme "Little Bit of Heaven," the Wauneitas' annual highlight was enjoyed by the many who attended.

Each year before Christmas, the Macleod Club, the nurses' section of the society, present the White Gift Party. Each girl brings a gift which is then presented to the underprivileged children of the Edmonton area.

A new feature this year was Travel Night, when several society members presented slides and discussed their travels in Europe.

During Varsity Guest Weekend, informal teas were sponsored for the parents and guests of all the varsity students.

Golden Key Society

The Gold Key Society members are appointed yearly by Students' Council after being nominated by various campus organizations. Membership in Gold Key is an award for outstanding work in the extracurricular line on the campus. Members of the Gold Key are to be known by the distinctive blue blazer and gold crest.

The main purpose of the Gold Key Society on the campus is to organize and conduct the entire program for Freshman Introduction Week; to act as hosts for all official guests of the Students' Union on the campus; and to organize and produce the Varsity Varieties show conducted during Varsity Guest Weekend.

Standing, from left to right: Ralph Perry, Cliff McCormick, John Beckingham, Max Adkins, John Davies, Bill Weir and Doug Fitch.

Seated: Jessie Ann Cashore, Dona Marie German, Tom Peacock (President), Clara Angeltvedt and Roberta Gordon.

University Athletic Board

The purpose of the University Athletic Board is to direct and encourage amateur athletics on this campus. This aim is carried out through the intervarsity competitions and the various sports provided by the intramural athletic program.

The intramural athletics were very successful this year, under the capable direction of Herb McLachlan and Nora Olson. This year more students than ever before participated in the events, and teams from faculties, residences and fraternities were represented. The program this year included golf, tennis, touch football, track and field, cross-country running, Outdoormen's Day, swimming, volleyball and basketball.

On the intervarsity scene, Alberta made a strong showing in the Western Canadian Intervarsity Athletics Union competitions held with the University of Manitoba, University of Saskatchewan, and Brandon College. The senior hockey and basketball teams had exhibition games with local teams and teams from the United States. An attempt, led by Ed Zahar, to bring football back into intervarsity competition for next year failed but definite advances were made for its eventual return.

The board is represented by both students and faculty, and is presided over by Dr. M. Van Vliet, director of Physical Education. The other members of the board are Cal Oughton, president of Men's Athletics; Christie Brown, president of Women's Athletics; Joe Fairbanks, vice-president of Men's Athletics; Miss P. Austin, director of Women's Athletics, and Dr. P. S. Warren, faculty advisor.

Radio Society

GRAHAM LAUGHREN
President.

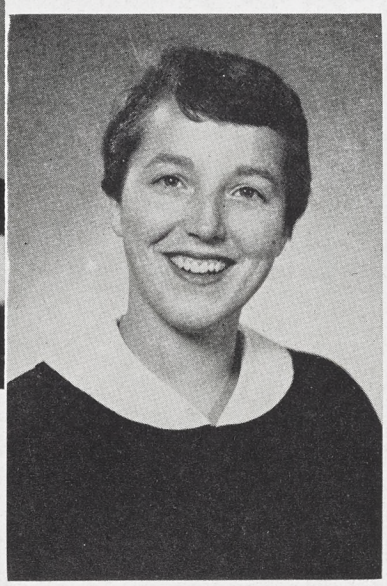

The University Radio Society has enjoyed an active and constructive season. Under President Graham Laughren, Arts and Science 3, an extensive publicity campaign has resulted in the best known and most widely listened-to Radio Society in many years.

What may be regarded as a significant milestone in Radio Society's development was completed this season. Largely through the efforts of technical director Neil Smith, and the technical department, the organization now has its own recording studios in the Student's Union Building. Broadcast recording previous to the inauguration of the new console was carried on from the studios of the Department of Extension.

Evergreen

An important aspect of the Evergreen and Gold this year was the dual directorship of Graham Laughren, Arts and Science 3, and Don Taylor, Commerce 3. Graham was appointed temporary director last March by the Students' Union, and during the summer planned the entire book—cover design, theme, sections, and specific make-up of the book. Don was appointed in November as full-time director with Graham as advising director.

and Gold

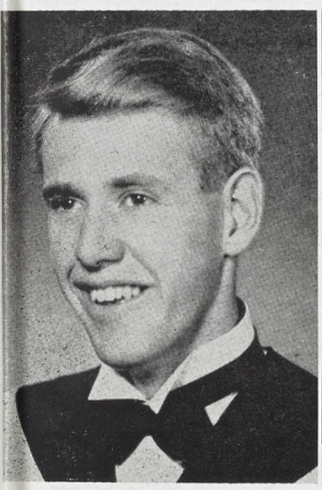

When University started in the fall Graham was in charge of the complete staff line-up, Don in charge of the production, and Vi Klatt as Editor. This year the yearbook has been enlarged 16 pages from the 1954 yearbook, and 190 more copies will be printed. This year the attempt is to deliver a very informal review of campus life on a strictly academic theme. A special feature is the golden cover representing the golden jubilee of the Province of Alberta. The directors feel that production details have been greatly facilitated by a very enthusiastic staff.

Gate

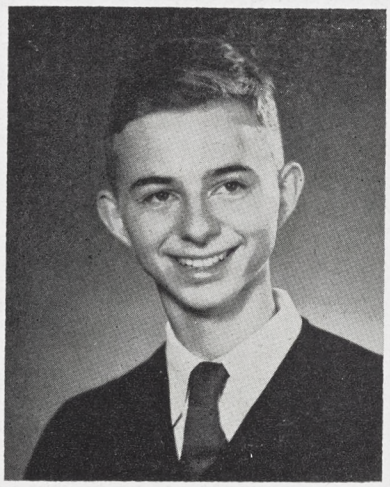

This year saw The Gateway back on a twice-weekly publishing schedule after several years of once-weekly publication. Coupled with this was the reduction of the size to tabloid enabling a clearer division between the various sections.

Once again emphasis was on news coverage. Under News Editor RUTH JETTKANT a staff of about 25 reporters attempted to provide an as complete as possible news coverage of campus events and items of general interest.

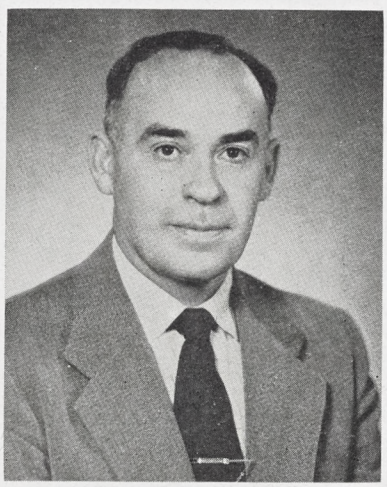

Many interesting features came out in this year's issues, including excellent editorial features by Columns Editor NICK WICKENDEN, Fine Arts Editor PHILLIP HEATH, and Cartoon Editor KAL CSEUZ. Shortly after publication began The Gateway went on a lively campaign directed by ED ZAHAR to revive the old Western Canada Intervarsity Football Union.

Hard at work compiling this handy little booklet are FLORENCE OTTO, HELEN HOWARD and JEANETTE GOLDENBERG. What would the students do without it?

The Telephone Directory is the one little publication that the students eagerly watch and wait for soon after varsity opens in the fall. What would the girls do for Wauneita without one? Unfortunately the Directories were three weeks late this year because of the extra help that was badly needed and a two-week delay by Hamly Press, printers of the book. Due to the increase registration 4,200 copies were printed, but distribution went quickly once the students got wind of the news that the long-awaited-for books were at last really ready.

Public Relations

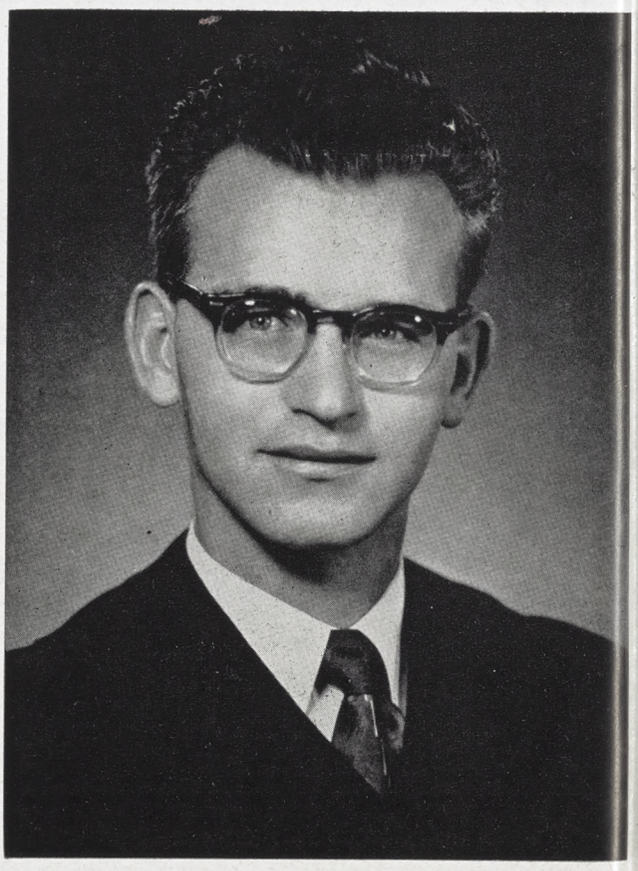

The Public Relations program starts rolling with a monster parade leading to "Varsity Night at the Football Game." Floats, bands and noisy enthusiasm display the campus spirit of the University of Alberta.

In early November, the students are hosts to the Mayor, Aldermen of the City and distinguished guests at the annual Civic Dinner.

At the Parliamentary Banquet the Lieutenant-Governor of Alberta, the Premier, and Members of the Legislature are guests at Athabasca Hall.

The culmination of the Public Relations Program is Varsity Guest Weekend when 4,000 people from all parts of Alberta are guests on our campus. Guided tours, cultural programs, sports events, entertainment and exhibits are crammed into one short weekend.

Therefore, from the above information you can determine that the Public Relations Program provide an opportunity for students on the campus to show Edmonton, Alberta, and the world at large the fine points of our University.

JOHN MOORE
Public Relations Officer.

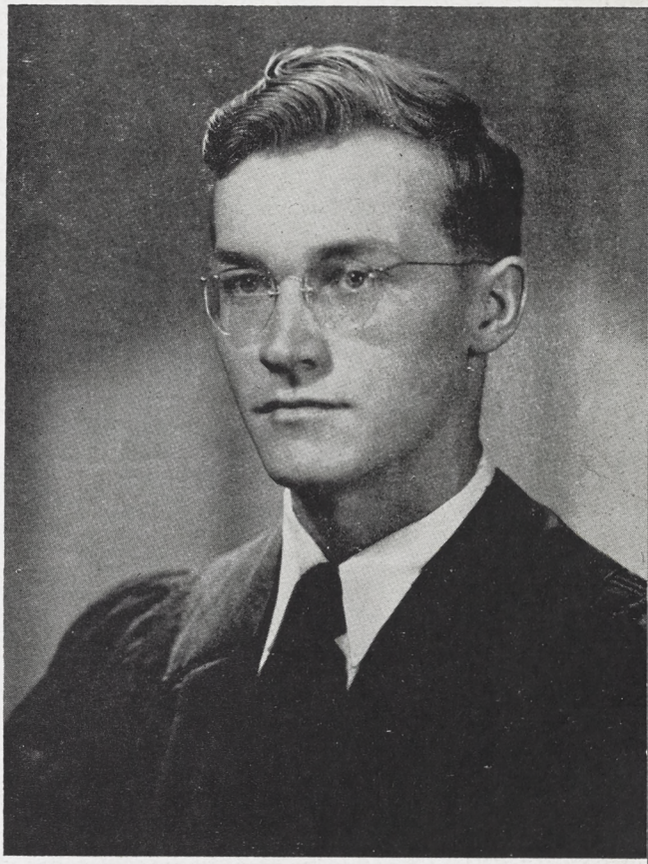

Photography Directorate

A piece of equipment well-known to the photographer is the enlarger, operated here by MARTIN BERGER.

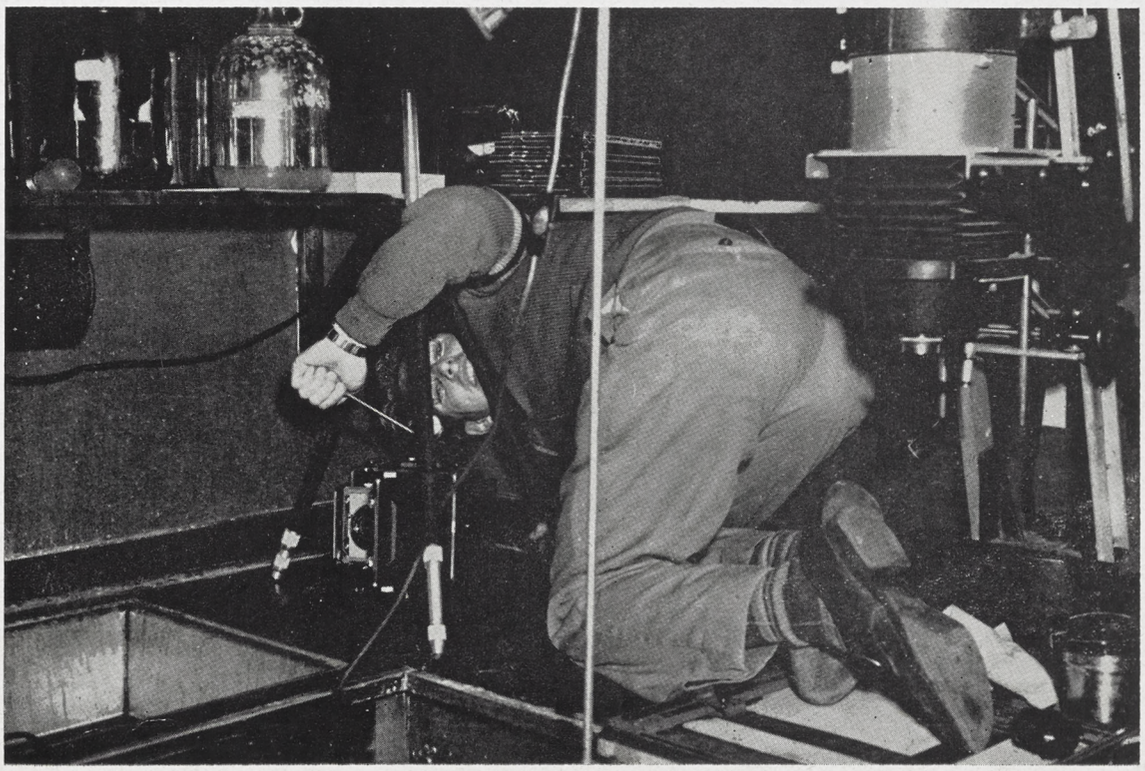

Essentially the Photo Directorate is a group of students whose interest in photography finds manifestation in the Yearbook and Gateway. With the majority of this year's staff entering Press Photography for the first time, it was necessary to bring their endeavors up to publication standards before the arrival of deadlines; a fact not appreciated by the general laity.

The Photography Directorate is primarily a student service, supplying photographs of student functions and sport activities. Working under the handicap of temperamental cameras and the added pressure of "Meet those Deadlines," the new staff proved to be a wonderful group of willing and friendly workers—a fact which lends to the successful operation of any organization.

Golden Bear Basketball

Watching the bubble burst, coach Maury Van Vliet watches the team in the closing minutes of the last game against Manitoba; the tension of the moment also shows on Bear manager Bob Gourdine, leaning forward and biting his nails.

The two pictures above and below show just how close the Bruins came to upsetting the Bisons. The Bears, winners for the past eight seasons, forced the highly favoured herd from Winnipeg down to the last game before giving up their monopoly on Western Canadian basketball.

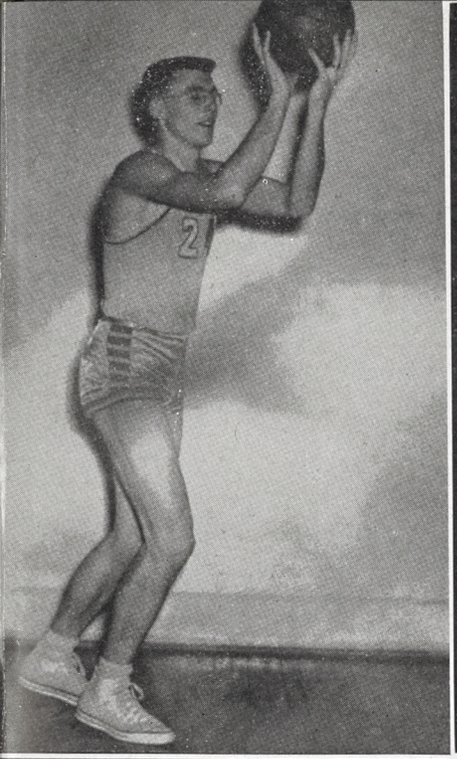

For the Manitobans it was great to win after playing bridesmaids to coach Van Vliet's powerhouse teams of the past years, but to Alberta it showed just how fine a coach we had in taking a team with seven rookies and only two left over starters and coaching them into a top flight cage outfit.

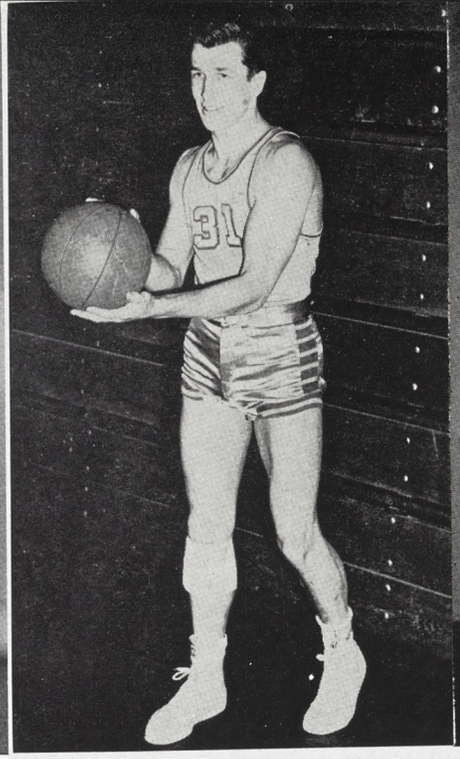

And the game was hard on the fans too, as everyone keeps their eyes on the loose ball at the Alberta end.

So the season started in October with Coach Van Vliet looking at the prospects, shaking his head and then explaining the game over again and again, to the men out of high school taking their first crack at Varsity ball. To make the team it means practice every day for two hours from the first week in October to the middle of March; it means listening and doing, till the repetition of the fundamentals become habit.

JIM MUNRO, guard

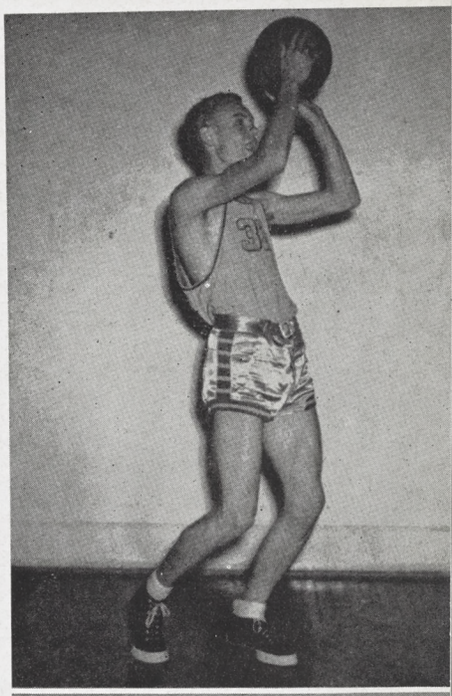

JOHN DEWAR, forward

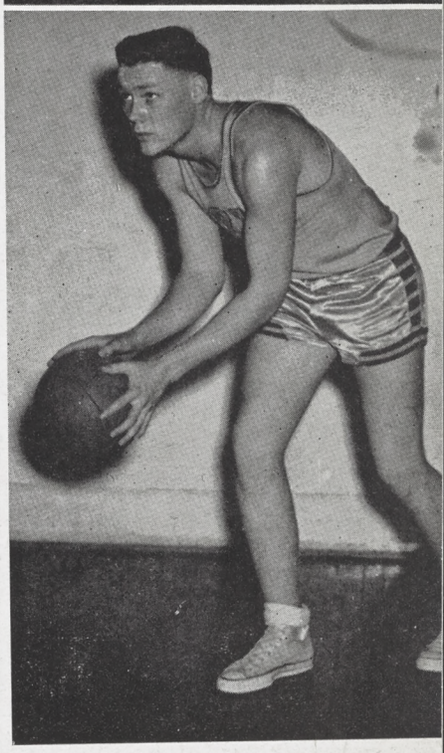

CLEVELAND HARP towers over little Jim Munro and puts the ball away for another two points.

JOHN TWEDDLE, forward

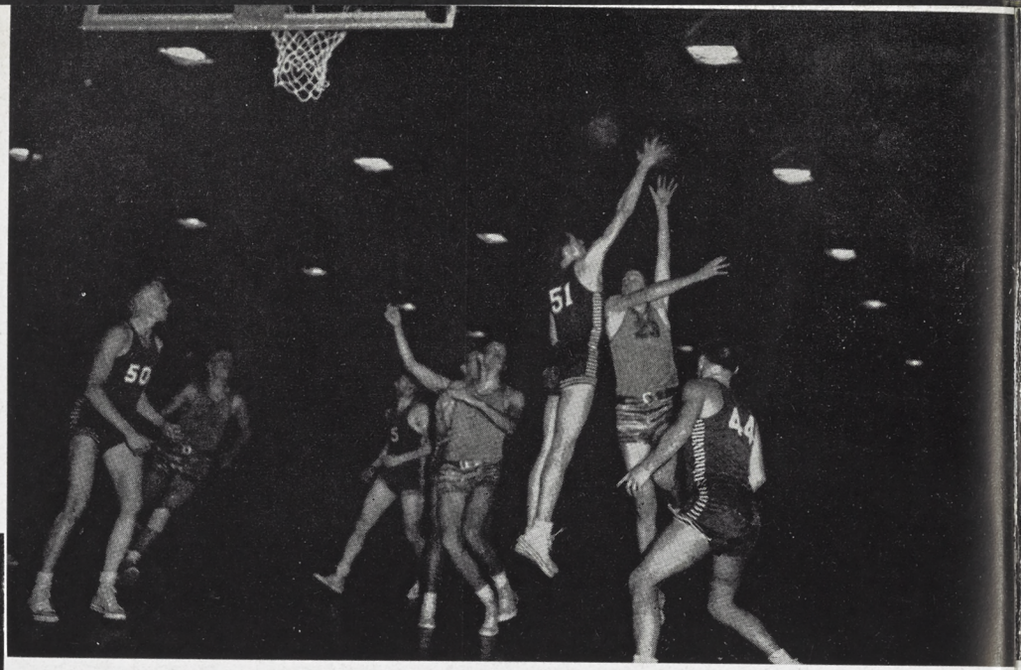

The Bears opened the season for the fifth straight year playing against Al Pullin's Harlem Clowns. The negro touring team had no trouble putting the Bears down 61-50. Two 6'8" boys for the Clowns, Cleveland Harp and Jerry Barber, controlled the backboards and the Varsity crew were behind from the first whistle. Norm Macintosh and John Deward each scored 17 points for the Bruins and Don Currie, playing his first game for Alberta, dropped eight.

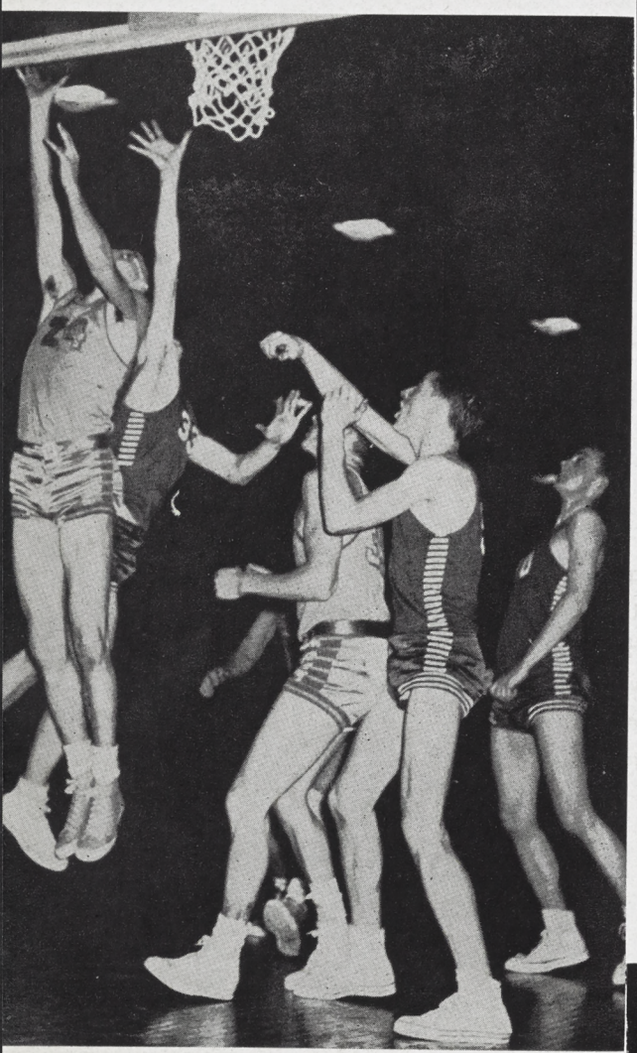

DON CURRIE, guard

SHORTY BUCKNER gets the Clowns hijinks going by calling a foul on teammate Harp. Bruce Perrin gets a big laugh out of it while John Tweddle looks amazed.

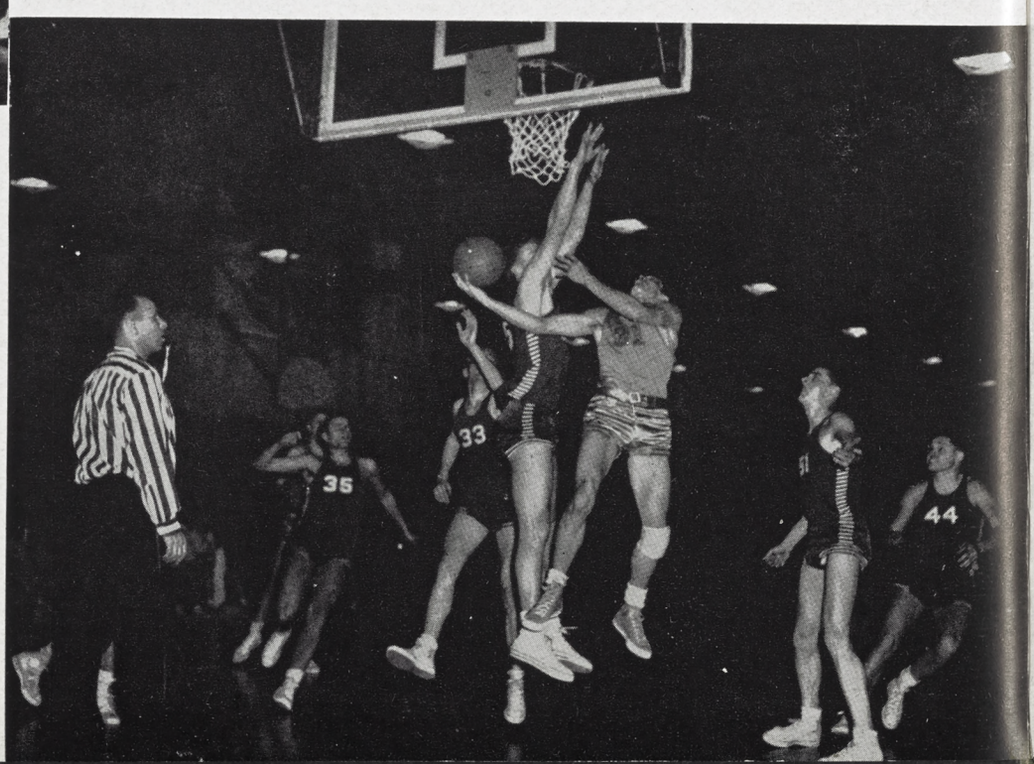

Saskatchewan at Alberta

72 - 66 Bears

87 - 53 Bears

The Huskies gave the Bears their best fight in years in the first game but the Albertans hung onto the lead all the way with Oscar Kruger sewing the game in the last minute and a half of play. Kruger with 21, Dave Steed with 18, Al Tollestrup with 14 and Derril Butler with 12 accounted for almost all the Bears' points.

The Bears, playing with more confidence, walked all over Saskatchewan in the second game, 87-53. Holding a 45-20 edge at the half, the game was no contest from that point on. Al Tollestrup led the team with 31 points from the pivot; Kruger got another 20 as Alberta gave Saskatchewan's new coach, Paul Thomas, his first initiation into Western Collegiate basketball.

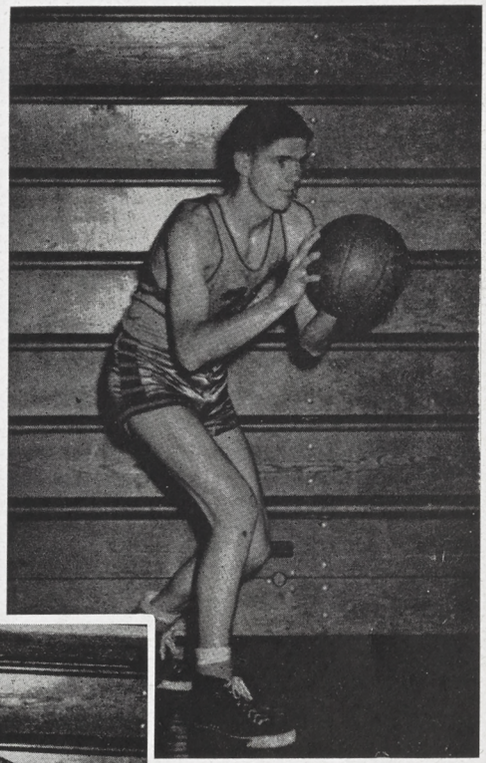

Alberta at Saskatchewan

70 - 59 Bears

72 - 55 Bears

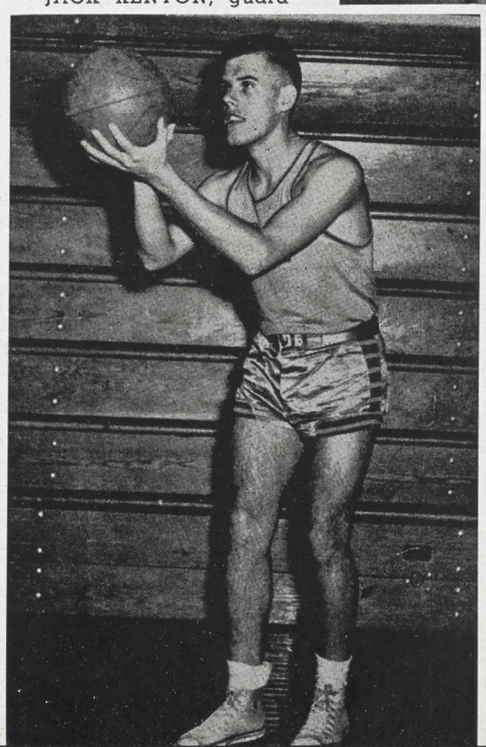

Norm Macintosh sparked the team, scoring 34 points in the first game and another 29 in the second fixture as the Bears contributed to Saskatchewan's second straight winless year. Oscar Kruger remained Mr. Outside for the Albertans scoring 18 in the first game and another 16 in the second.

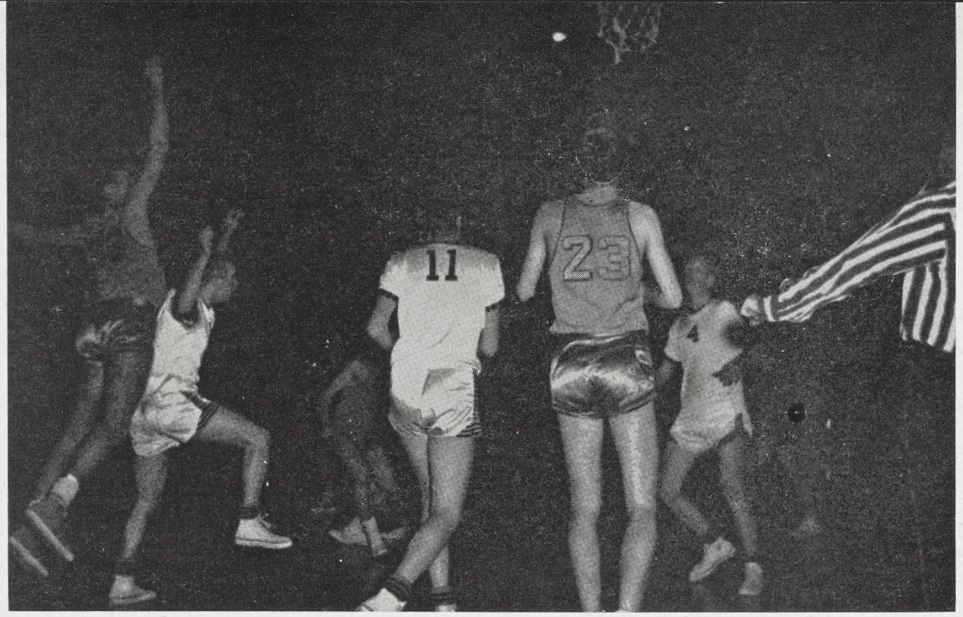

These two games left the Bears in position to tie up the league lead here at home against Manitoba.

Alberta at Manitoba

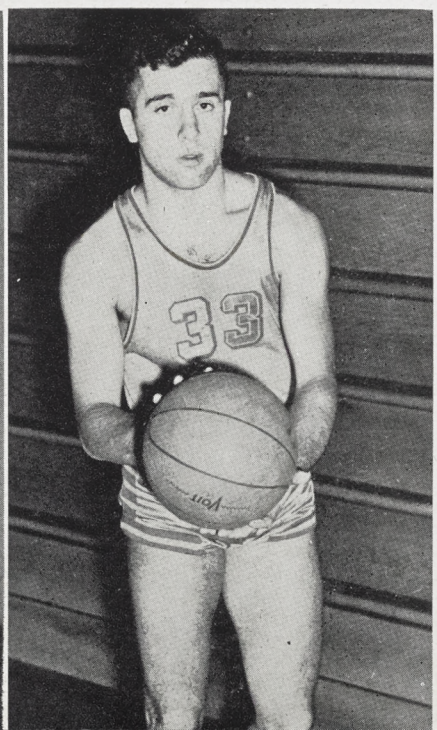

76 - 56 Bisons

68 - 66 Bisons

The Herd from Manitoba gave notice of it's tremendous power as they dumped the Bears in their first road trip of the schedule. The first game was a disaster for the Albertans, who were counting on a split in the two games; Steed, Macintosh and Butler all being fouled out with more than 10 minutes left in the game. Playing on a bad ankle, Jim Munro led Alberta with 14 points, John Dewar right behind with 13.

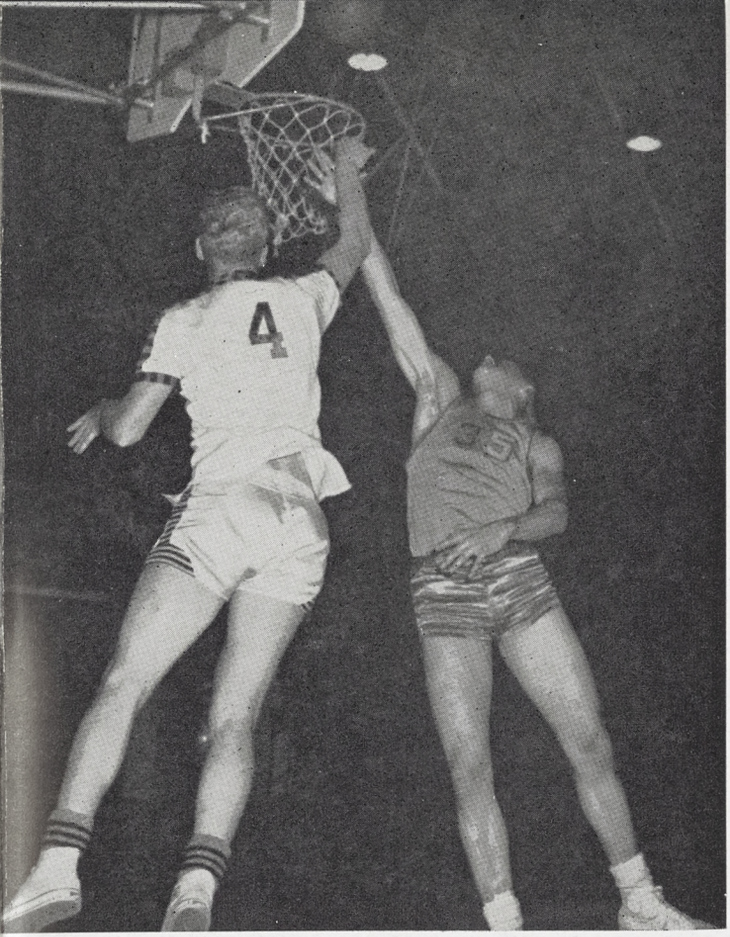

Lacking Oscar Kruger, who didn't make the trip, Norm Macintosh put on a one-man show as the Bruins came within a whisker of dumping the favored Bisons. Norm scored 31 points and was chasing a loose ball in an attempt to get the tying basket as the final gun went. Al Tollestrup scored 17, but the Wright twins from Manitoba scored 38 points between them, enough to give Manitoba a stranglehold on the team standings.

Manitoba at Alberta

63 - 62 Bears

51 - 44 Bisons

Playing in Vic High School, a situation that didn't exactly help Alberta's cause, the Bears came up with one win but died in the crucial game and Manitoba won the Rigby Trophy.

Alberta won the first game in the last few seconds of play as Dave Steed took the ball out from the corner, pivoted and jumped, and scored the winning basket.

The game seesawed back and forth all the way, Alberta holding a two-point edge at the half. Oscar Kruger with 20 and Norm Macintosh with 18 kept the Bruins in the game as the Manitobans played a tight defensive zone. Big Jim Wright led the Bisons with 22 points and along with twin brother John and Dave Smith kept the Bears from gaining possession of the ball under the Manitoba basket.

The Bears, who had clicked so well the night before, couldn't find the basket for the big game and dropped the title to Bud Fraser's fighting team from Winnipeg. The Bears grabbed an early 8-0 lead but the zone defense of Manitoba tightened and the Bears were squeezed out in the defensive game. Norm Macintosh and Oscar Kruger, who had clicked so well for the Bears all season, could only get eight points each. Derril Butler scored 12 to lead Alberta, six of them coming in the last few minutes as the Green and Gold tried desperately to get back in the game. Jim Wright and Dave Smith, scoring 12 and 10, led the Manitobans in offense as well as defense.

Exclusive shots of the Bears on their exhibition tour in Colorado. Once every two years, the University of Alberta wanders into the American college sports scene and each time the boys wander out finding that they've travelled 2,000 miles to get beat by the same bunch of guys that used to beat them when they played Midget hockey at home.

Above, pictures of the Bears playing the University of Denver, and on the right, playing the NCAA finalist, Colorado College. The scores didn't look too bright but the team played well enough to be invited back.

Different rules, the weather and conditioning as well as the American scholarship set up didn't help the Alberta cause, but they at least got an opportunity to play hockey in front of a crowd of more than 200.

Golden Bear Hockey

Don "Sphinx" Smith came up with his second Western Collegiate Championship is as many years as head Golden Bear mentor. Behind this smiling face, enclosed by Tyrol hat and Korean combat jacket, is one of the sharpest hockey minds in Canadian college play.

The Bruins had one of their best seasons since their power-packed pre-war days. Playing 21 games the won, loss column showed at the season's end a 13 - 8 record.

The team started the season with five straight wins in the City Intermediate League, they later dropped two for a second place finish.

In Western Collegiate play, they had a 6 - 2 record dropping one to Saskatchewan here and another on the road. They took another two games over U.B.C. to retain the Hamber trophy.

The tough end of the schedule came on their trip to Colorado where playing under different rules and different conditions against stronger teams, the Bears lost four, two to the University of Denver and the other couple to Colorado College, and flew home to exams winless after the trip.

The Bears-Thunderbird series; Bob Kilholly of U.B.C., knocking Bill Knopp out of the way, in front of Howie Thomas in the Thunderbird net. The other Alberta player is Bill Kirstine.

Here's how the Bears made out in inter-collegiate play.

Women's Sports

The Pandas retained the Cecil R. Race Trophy as they won their games, 48 - 37, over the University of Saskatchewan Huskiettes and 47 - 35 over the Manitoba Bisonettes in the annual women's week-end held this year in Winnipeg. Connie Horeak led the team with 46 points in the two games. Marlene Moseley scored 15 in the game against Saskatchewan.

Christie Brown is the girl with the killer smile as she puts the ball past Pearl Zatamen. Sandra Mendryk is looking on.

Grim concentration on all the player's faces. Alas, for all their work, the girls dropped their series in Saskatoon and Saskatchewan won back the championship.

The curling team of lead, Gladys McCoy; second, Joyce Wonnacott; third, Betty-Jean Robertson, and skip Barb Beaton. The girls had a bad time of it in Winnipeg losing to Saskatchewan 13 - 5 and then dropping a close 8 - 6 decision to Manitoba.

Left to right: Maureen Mustard, Betty-Lou Vassar, Margaret Whelihan, Claire Williscroft and Barbara Beddome. Along with Iris Kirk these girls travelled to Saskatoon but came away empty as the Saskatchewan team won the event for the second year.

Pat Parker and Eileen Nicol, two of the members of the bowling team that competed in a telegraphic bowling match with nine other Canadian universities. Victoria College came out the winners, alleys were crooked in Edmonton, Alberta finished a weak ninth.

The Women's Athletic Association. Standing (left to right): Judy Schlosser, Barb Wilson and Claire Williscroft. Seated: (clockwise) Betty-Jean Robertson, (back to camera), Gladys McCoy, Mary Henderson, Eileen Nicol, Doris White (factulty advisor), Pat Austin, (women's athletic director), Nora Olsen, Christie Brown, president, and Marlene Mosely.

Women's Athletic Council co-ordinates and directs all women's sports on both the intramural and inter-varsity level. Each sport is directed by a manager appointed by the executive and one girl is in charge of the intramural program.

The major athletic awards winners for the year were Christie Brown, Marlene Mosely and Connie Horeak. The winners of these awards receive the equivalent of a men's Block "A" award.

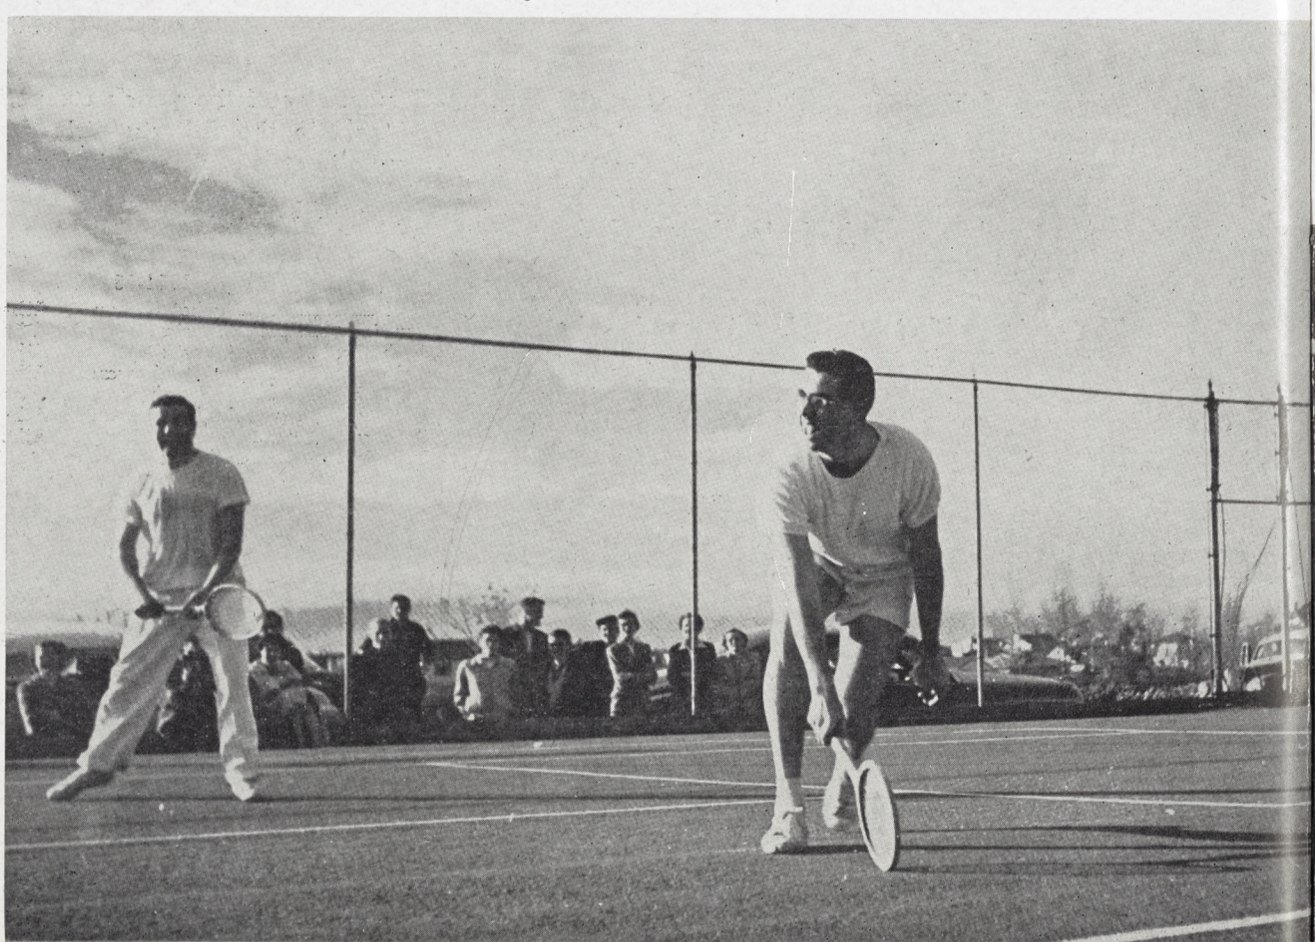

A summary of the year's competition shows that while the Alberta girls dropped in a couple of sports, they maintained their overall supremacy when compared to Saskatchewan and Manitoba.

Minor Sports

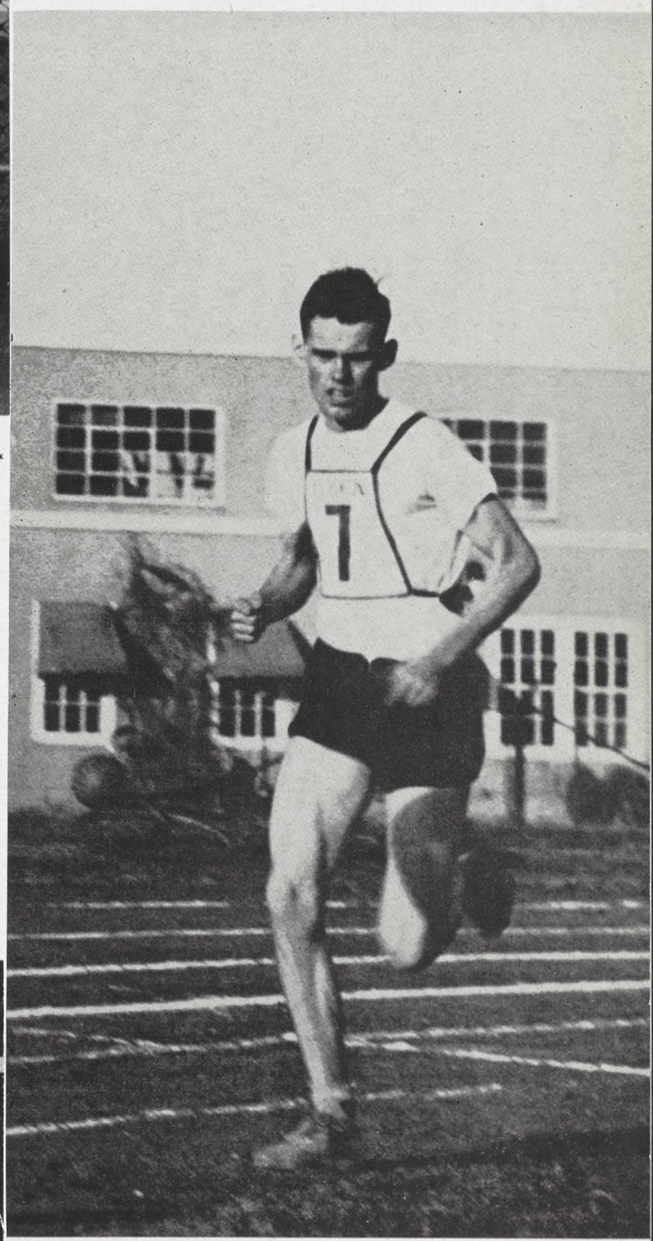

The University of Alberta continued to dominate the Western Collegiate competition in minor athletic sports. In the fall they beat out Saskatchewan in tennis and golf. A week later they emerged in a clean sweep in the cross-country event against Brandon College and Saskatchewan. By the end of November they had finally won the O. J. Walker trophy for inter-collegiate badminton, which had been evading them so long. On the same week-end, the Engineers won the first inter-varsity volleyball over Saskatchewan. After Christmas the North American Ski Meet, held this year at Temple and Sunshine because of poor snow conditions saw Alberta make it's usual showing against the American schools operating with foreign scholarships to Norwegian boys.

Harry Fayerman and John Higgin won their match in the men's doubles 6-4, 3-6 and 6-1 in one of the toughest contests of the afternoon's play that saw Alberta win over Saskatchewan 7-2 in matches. Alberta won all three women's single events, one of the men's singles and the three doubles matches.

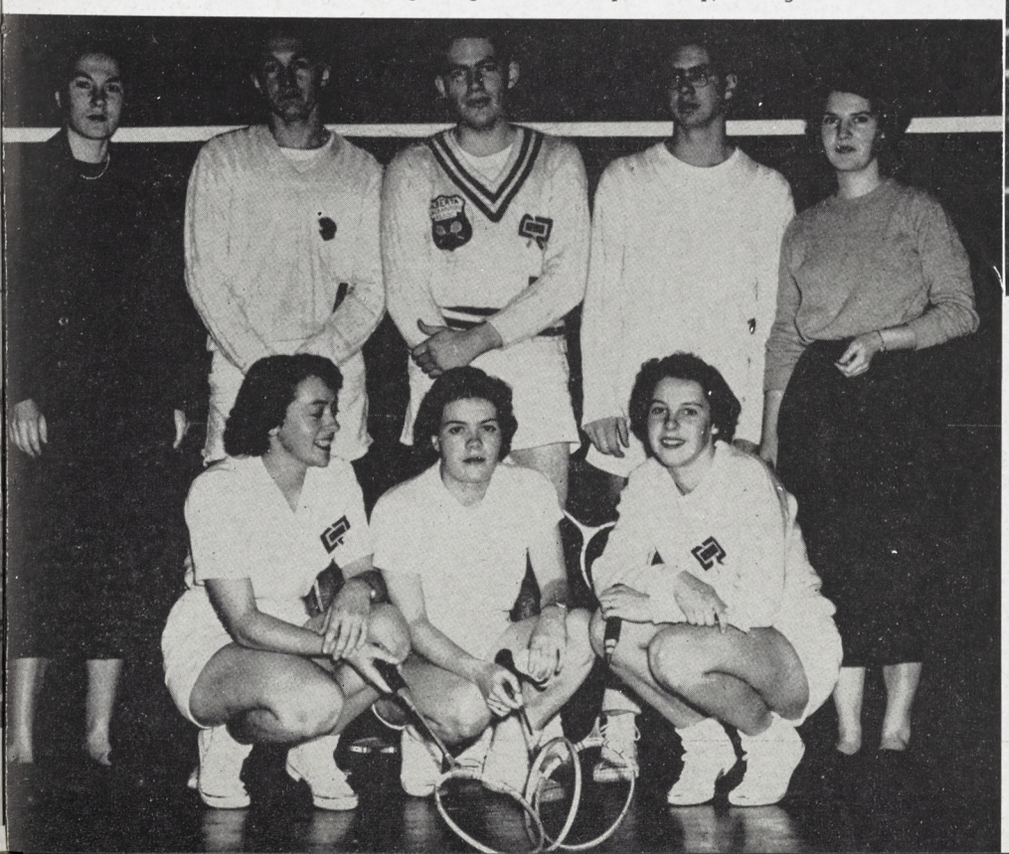

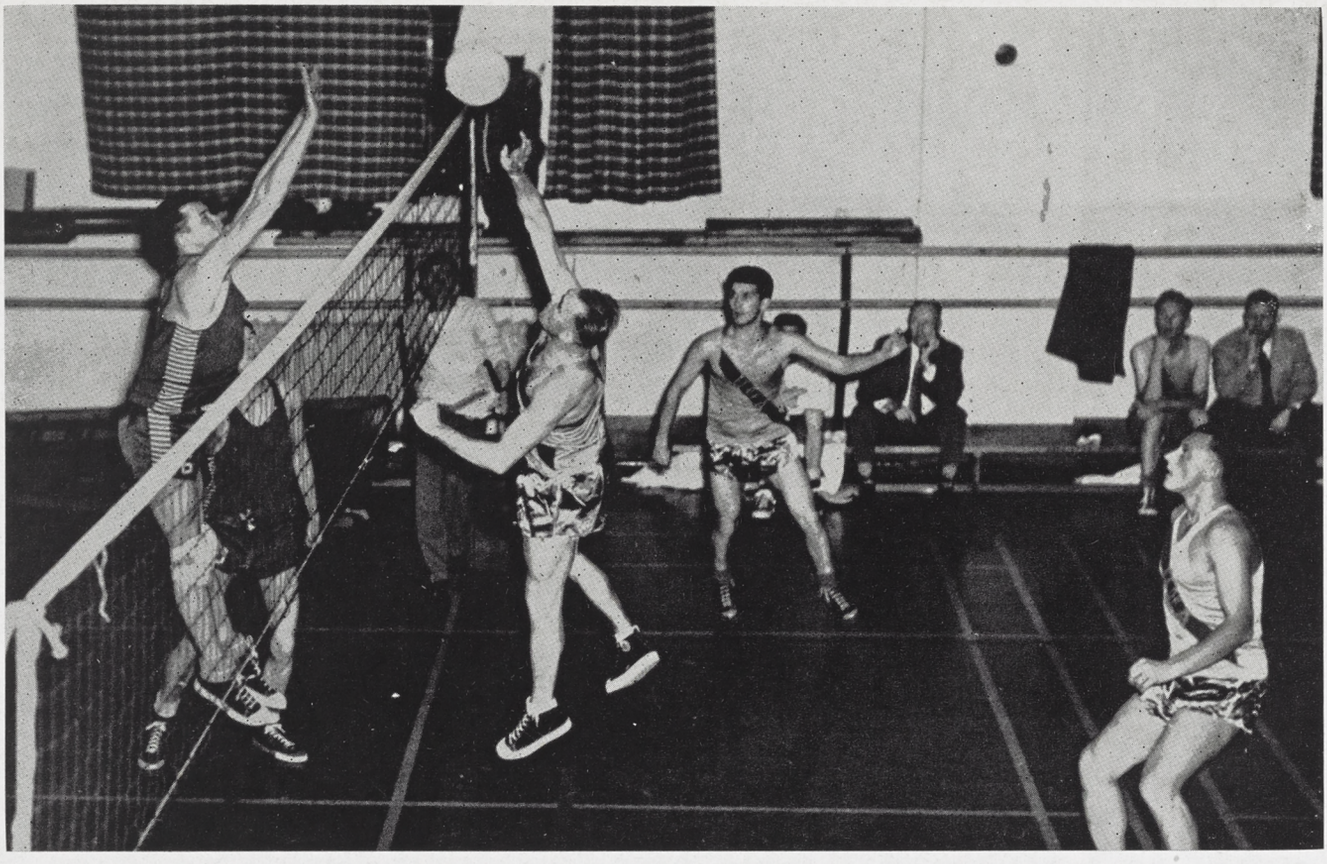

The winning tennis team. Left to right: Connie Horeak, John Higgin, Barb Shortreed, Harry Fayerman, Donna Kinloch and Eileen Nicol, manager
In front, Ron Ghitter.

Bill Geddes won the first inter-varsity cross country event run on a three-mile course at Saskatoon. Frank King and John Chappel finished second and third to give Alberta a clean sweep.

And the winning counterparts in badminton. Front row: Rae Milligan, Shirley Wilson, Eileen Nicol. Back row: Doris White, coach; Peter Wilson, captain, Doug Horne, Hugh Edgar and Gladys McCoy, manager.

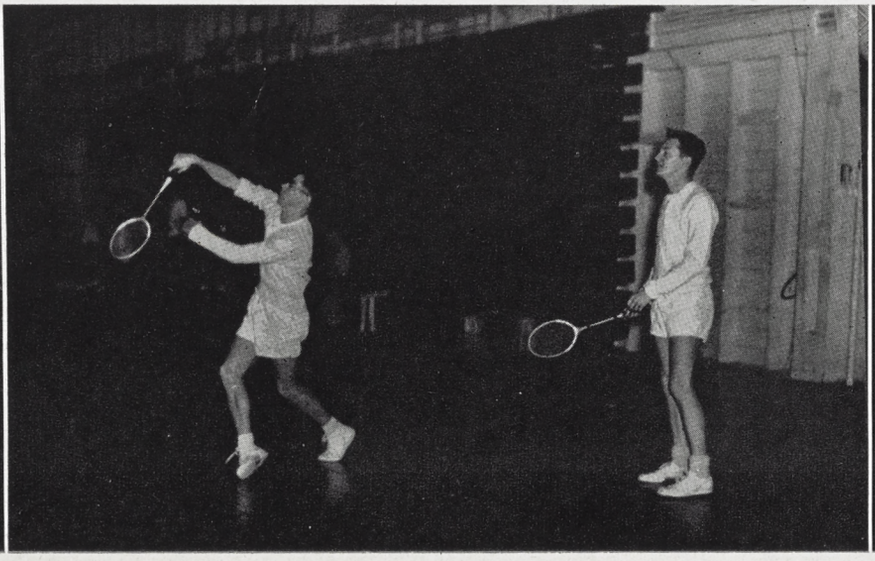

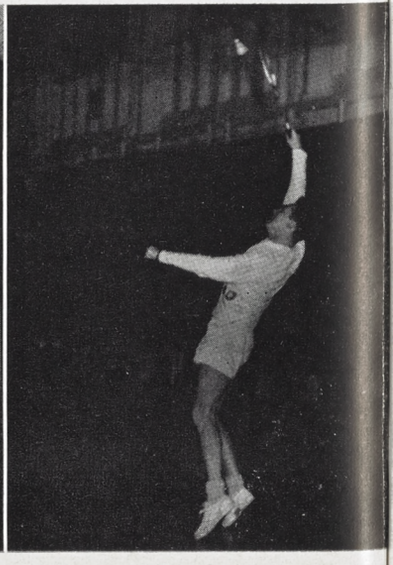

Karl Puffer for Alberta is the man doing the spiking. The Engineers represented the school in the first inter-varsity volleyball competition against Saskatchewan and won out three games to two coming from behind twice. The rest of the Alberta team were Ike Berezowsky, George Naoum, Allan Ruus, Dick Pitt, Bob Trylowsky and Larry Last.

Three shots of the men's badminton team, captain Pete Wilson in the first picture, Pete teamed up with Hugh Edgar in the second, and on the right Doug Horne. All three won their single matches as Alberta finally emerged winners over Manitoba.

Gordie Morrison, coach and captain of the Alberta ski team that meets it's fate each spring in competition with American schools in the Western Intercollegiate ski meet. Alberta managed to keep out of the last spot by beating the University of Puget Sound. University of Washington on the six-team event. Morrison made the best Alberta showing finishing sixth both in the downhill and slalom.

The Alberta rink of (left to right) Al Odynsky, skip; Gerry Zetter, third; Les Thomas, second and Ed Dobry, lead. The team lost to Saskatchewan's Gary Thode in competition in Saskatoon against Brandon College and Manitoba. In the same week-end, Saskatchewan retained their wrestling and swimming trophies in competition against Alberta teams.

Intramural Sports

The Intramural sports program starts on the first week-end in October and is going until the desks are put up in the Drill Hall. Over half the campus participates in one sport or another and in reality, the Intramural program is Alberta's main sporting enterprise.

Herb McLachlin, head of the Intramural program, starts the cross-country race, in same pose he uses for duck hunting.

Take three October Saturday afternoons, schedule the men's and women's track meets and the annual cross-country and over 300 people got a good chance to stretch their summer fat into a little fall muscle.

Al "Storky" Tollestrup hits the finish line to win the cross-country event; Bill Geddes is in the background, home free for second place.

Betty-Jean Robertson, replete with a DG gob hat, stretches out winning the 50-yard dash.

Wolfgang Karbe, spinning for momentum before pulling the discus from behind his back.

"Hopalong" Lou Wiggins, riding high in the barrel-bronking, was so pleased with his performance he wore his jeans for the rest of the year.

The second annual Frontiersman day was held on the coldest Saturday afternoon that could be found and about 100 fearless types turned out to prove that they, too, were All-American he-men.

The nine-man touch football league ended it's season in the snow. For the third time, the finals saw the Phi Delts come out winners, this year by a narrow 5-0 score on Norm Macintosh's punt return in the final quarter.

Weather closed down on the tennis before the finals were reached; Phi Kaps ahead on points.

Mike Richards with a 69 won the golf, but the Phi Kaps came out ahead in the team score.

What it takes to be an all-round athlete, a beard that's definitely a beard. Paul Gottas with the best stubble won this non-body contact sport.

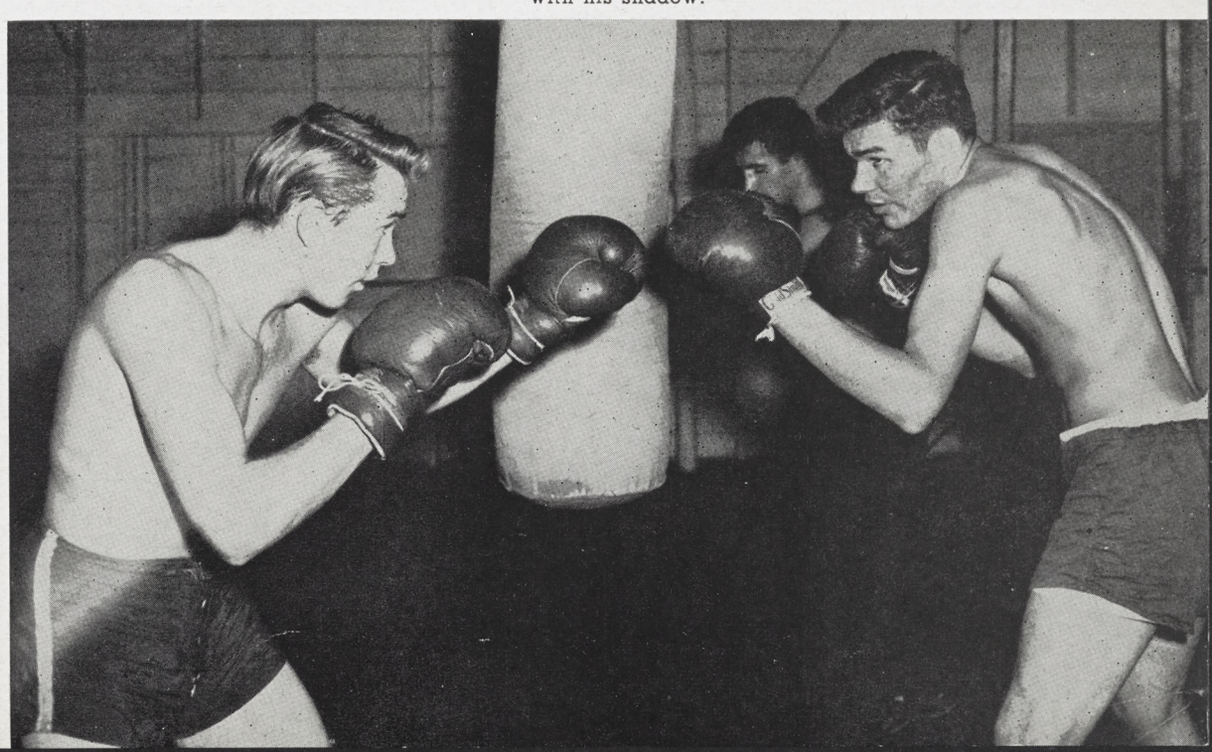

Football lasted on and on. Ed Hantiuk, quartering the Phi Kap B, is the thrower. The Phi Kaps lost this game to the Phi Delts, who went on to win the league beating the Phi Kap A and Assiniboia in the playoffs. There were over 20 teams competing in the league, making it one of the most popular intramural events on the program.

Jim Stephen was one of the best who spent their leisure hours on the new trampoline in the gym. Everybody had a try at the apparatus in the fall, but not many qualified as gymnasts by spring.

Boxing was dropped from inter-varsity competition this year so the pugilists formed on their own and fought in amateur cards around town. Bill Bennett and Bob Kronthaler are the two eyeing each other and Lou Gazdarica is in the background having it out with his shadow.

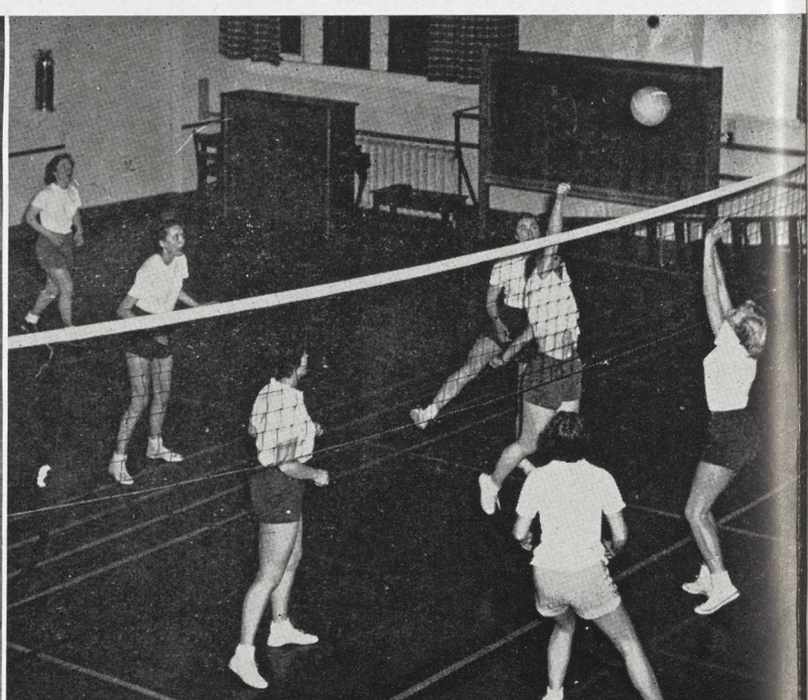

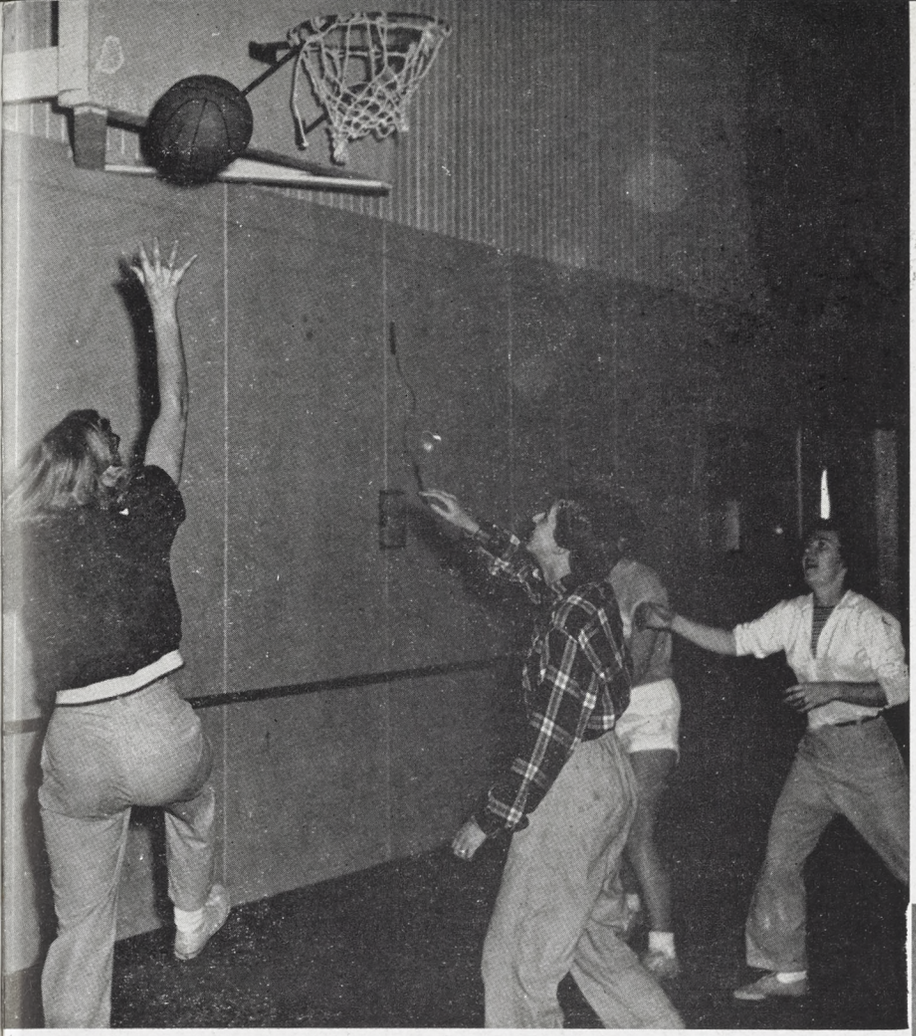

Curling had one of it's best years on the campus. Here curling president Eli Adler gets the first rock away. Behind him (left to right) are the executive of the club; Mervin Wade, Joyce Wonacott, Al Ragosin, Allan Odynsky, Lorraine Moshansky, Della Christopherson and Tom Bethune.

Slobovian field hockey, broomball, with the DG's and the Theta's giving with their A-1 southern exposures.

Volleyball action in Athabasca gym with the Theta's (on the far side) playing their wide-open mouth game.

Showing more exuberance than form, Helen Twack of the D.G.'s, puts the ball up in an intramural basketball game.

Bob Hayton, who won three events in the track meet, quartered the football team, was high scorer on the basketball team, and found time to pick up pay checks from the Eskimos, was one of the leading men in the Phi Kap's strong showing and was one of top contenders for the individual Intramural athlete award.

Winners in six events, the Phi Kappa Pi fraternity won the Henry Singer Trophy for the fist time, piling up a big point lead over last year's winners, Phi Delta Theta, who won the touch football league for the third straight year.

The Phi Kaps won the rest of the fall events, tennis, golf, track, Frontiersman's Day and the cross-country and also came up with wins in basketball and ping pong.

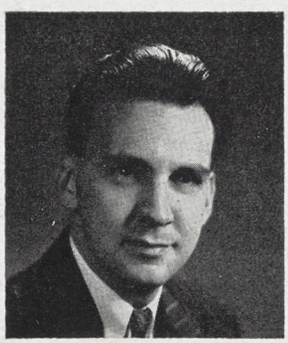

Only other team winners were Assiniboia Hall, who came up first in the volleyball competition.

Delta Gamma were the winners of the women's intramural championship, winning the Rose Bowl over Kappa Alpha Theta and Physical Education. The D.G.'s won in track, golf, tennis, broomball and bowling.

THE FUTURE—This spring, after exams, the Mixed Chorus is again planning a spring tour. This year the longawaited return to the Peace River district is being arranged.

Off on another tour.

Chorus

This year the Mixed Chorus completed another very busy and successful season. In addition to their annual concert week early in February, the Chorus performed at other concerts later in the season and presented a thirty-minute program for the CBC during the Christmas season. Again this year about thirty members of the Chorus sang, under the direction of Professor Eaton, in the Christmas presentation of Handel's MESSIAH in Convocation Hall.

Debating Club

Despite a heavy training schedule this year, Alberta debaters were unable to capture the McGoun Cup, emblematic of superiority in the Western University Debating League. The Alberta McGoun team consisted of John Chappel and Terry Dunn for the affirmative and John Bracco and Archie Ryan for the negative, with Hugh Lawford and John Beckingham as alternates. Debating the resolution "That Canadian divorce laws be liberalized to the same level as the English divorce laws" the negative won 2-1 at U.B.C. but the affirmative lost by the same margin to Manitoba at Alberta.

Under the direction of Archie Ryan the intermural debating competition for the Hugill Troph was efficiently completed giving about twenty two-man teams some valuable experience in public speaking and debating.

Theology Club

The Theolog Club meetings, which were held every third Monday, were for theologs and students interested in theology. Topics of common interest were discussed and socials from time to time were held.

Hillel Club

The Hillel Foundation, an international Jewish student organization, had one of its most successful years to date. Foremost on its program was a weekly lecture series, conducted by Rabbi Dr. Louis L. Sacks, at which members presented a series of papers dealing with Jewish history. The group also held monthly brunches at which speakers, often faculty members, discussed topics of interest ranging from Canadian literature to the results of the camp sponsored at Banff by the Canadian Leadership Council the previous summer. The camp, a successful interfaith project, was attended by two Hillel members. Several members took part in an International Hillel Conference held in Winnipeg during the Christmas holidays. During the year, Hillel also held several successful socials and dances.

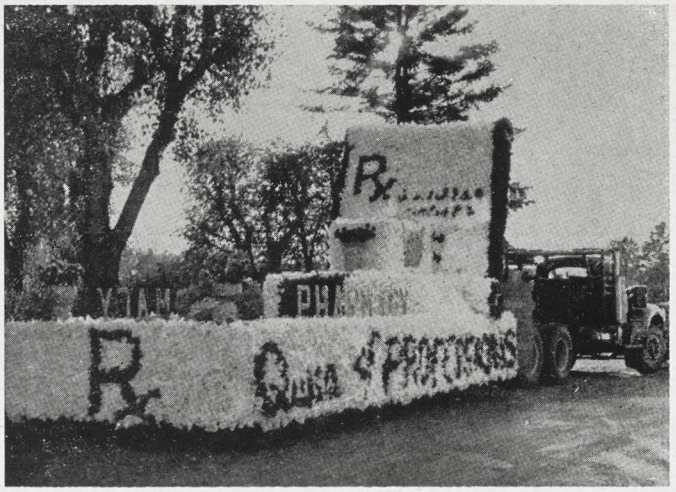

Commerce Club

This year the main object of the Commerce Club was to unify the three classes into a co-operative unit with regards to activities and sports. This undertaking was successfully achieved through three dances, including the formal, a strong hockey team, and stag and mixed parties. The club made the annual presentation of rings at the formal to the graduates.

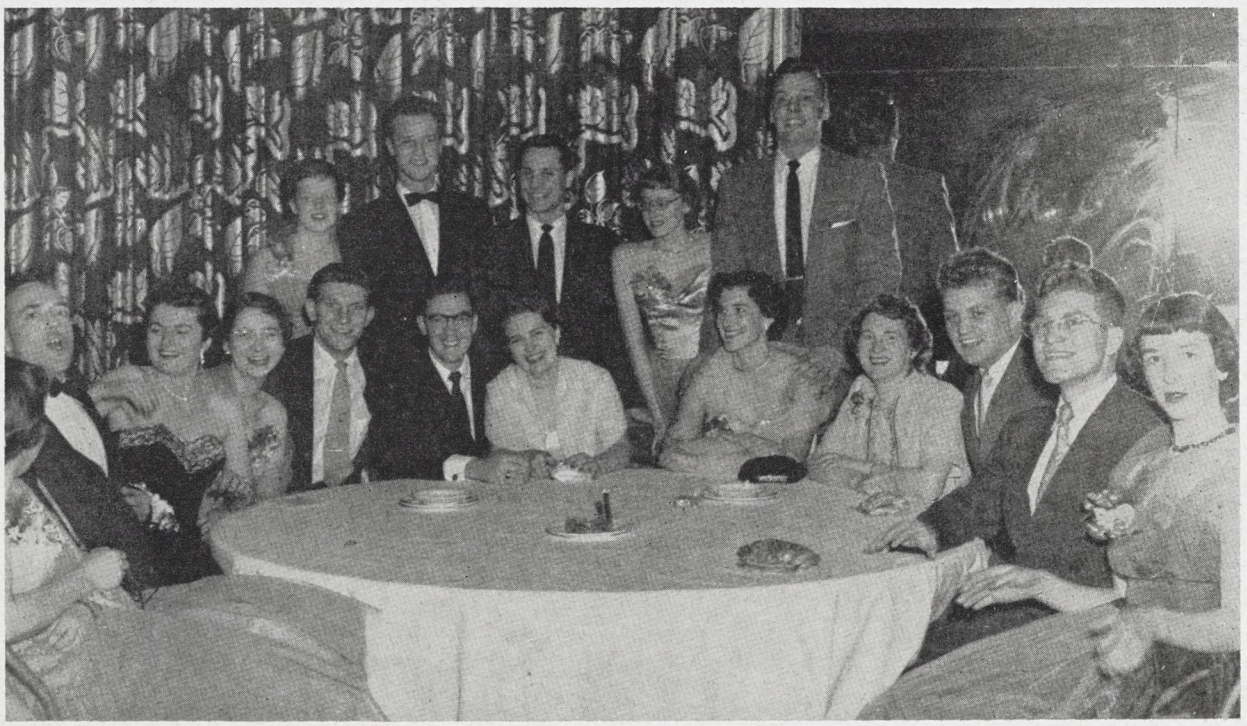

Sitting: Mary A. Macdonald, Vice-President; Colby Quilliam, Treasurer

Drama Society

Pegeen orders her wedding dress in opening scene.

During 1954-55, the major undertaking of the Drama Society was John Millington Synge's "The Playboy or the Western World" produced by Studio Theatre under the direction of Mrs. Elizabeth Sterling Haynes. This play was a feature of the Varsity Guest Weekend programme.

The Society's fall project involved the preparation of the radio play "All About Emily" by Lister Sinclair. It was presented on one of the weekly student broadcasts over CKUA.

Throughout the year, Club members were given the opportunity to attend the final dress rehearsals of Studio Theatre productions.

. . . Agricultural Club

Once again the Aggies had a successful and active year. Some of the outstanding functions were the second year public speaking contest in which Don Laverty walked away with the MacGregor-Smith trophy. The very successful Monsoon dance helped to raise funds for W.U.S. In January the annual smoker and formal at the Macdonald were well attended. To wind up the year the Bar-None in the drill hall was participated with its usual gay enthusiasm.

Arts and Science Club . . .

The Arts and Science Undergraduate Society aroused great enthusiasm by winning over the Engineers and the Pharmacy entries in the annual Varsity football parade. The Mardi-Gras dance, one of the largest dances of the season and the only costume dance of its kind, followed its success. Another hightlight of the year was a house dance which was well attended.

Flying Club . . .

The University Flying Club, under the 1954-55 executive, this year instituted a new type of meeting, that of having guest speakers speak on the different aspects of flying, illustrated by films.

The club's breakfast flights this year were completely successful. The two most notable being the first flight to Westlock, in which twenty-six members participated, and the second to Innisfail in a provincial wide gathering of the Flying Clubs of Alberta, in which over 100 planes were present.

Macleod Club . . .

The nurses of the University of Alberta had an active year through their Macleod Club. The annual "Anchors Aweigh" dance, widely known on the campus as one of the highlights of Frosh Week, packed a crowd of 1,500 in the Residence auditorium. Other social functions including house dances and the Graduation Banquet, were well attended. Interest and enthusiasm in the interfaculty sports was again very keen. An interesting highlight of the year was a feud with the Engineers, which culminated in a highly successful campaign for W.U.S. funds and an unusual party with the Engineers.

Maintaining its tradition for offering appealing programs of high musical calibre, the orchestra included the following compositions in its annual concert of the 1954-55 season:

The Egmont Overture.....Beethoven

The Surprise Symphony.....Haydn

A Night on Bald Mountain.....Moussorgsky

Excerpts from Carmen.....Bizet

The Christmas Concert in which the Orchestra was joined by the University Singers, Members of the Mixed Chorus and the Music Division Students in a performance of Handel's Messiah, and Bach's Cantata "Sleepers Awake" was again one of the outstanding musical events on the campus.

A number of social activities were held during the year being climaxed by the Annual Banquet at which the new executive was elected.

. . . Canadian Officers

Enjoying a break in the mess during the weekly lecture sessions are three cadets, O/C Len Leigh,, 2Lt., Bill Kelley and O/C Gordon Kuder. The mess is open daily for the cadets and for their use during social occasions at night.

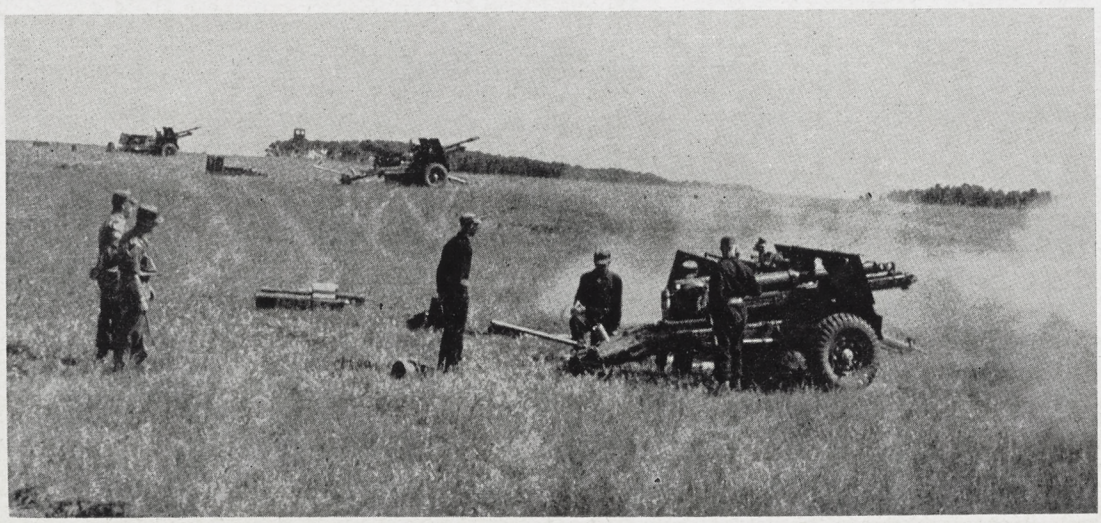

The Canadian Officers' Training Corps, University of Alberta contingent under the command of Lieut.-Col. Douglas Smith, enjoyed another successful year.

First-year officer cadets attended lectures throughout the winter on current affairs and citizenship. Second-year courses featured military tactics using sandtable models, organization and administration. Third-year lectures, on military history and geography, were given by Lt. Col. P. S. Warren and Captain W. C. Wonders.

Alberta cadets again added prestige to the U. of A. contingent as five cadets received their commissions, and 2Lt. John Chappel was accorded the highest standing for cadets in the Armoured Corps.

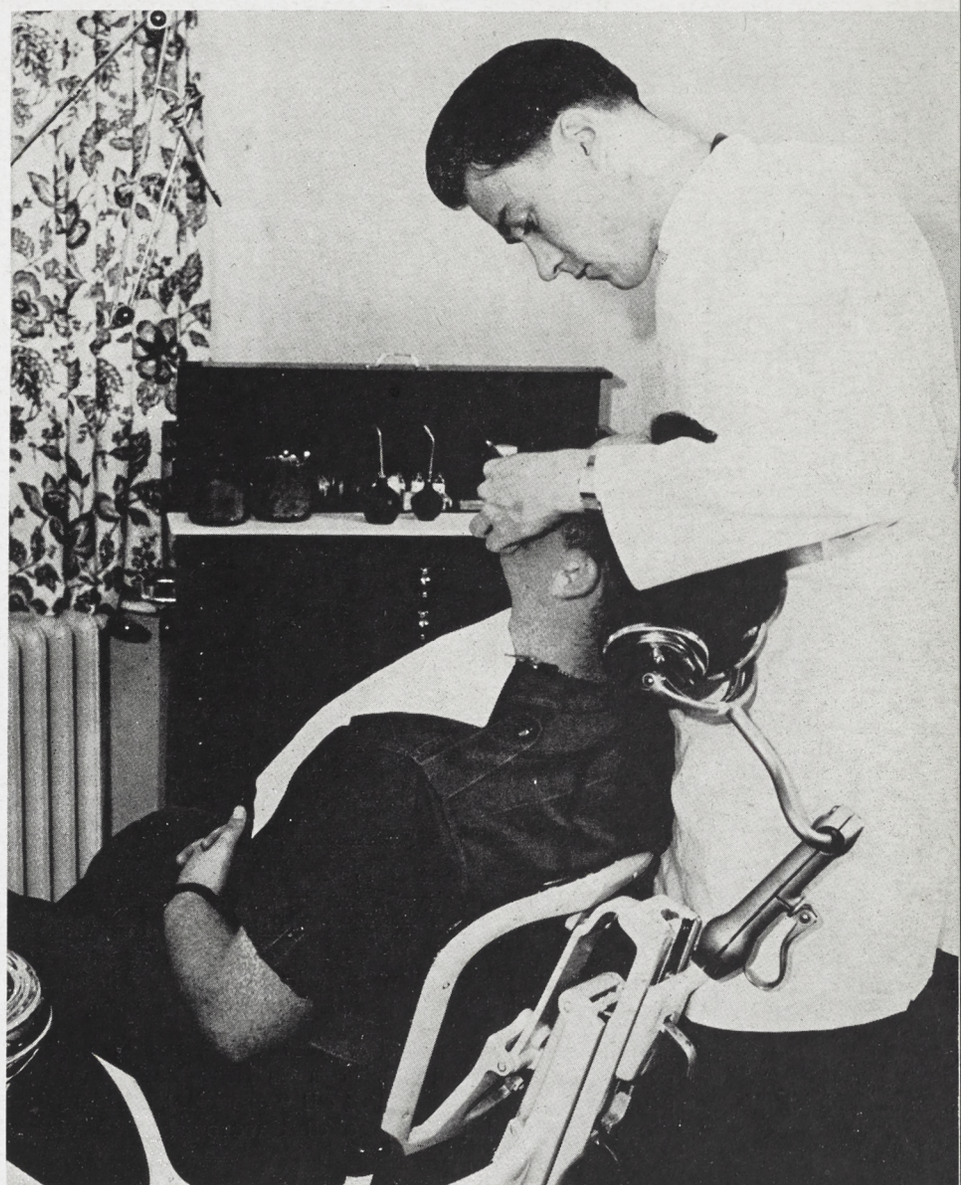

Social functions during the year included a social evening in December, the Tri-Services ball in January, and a mess dinner in February.

The weeks following final examinations saw cadets dispersing to army camps across Canada for from twelve to twenty-two weeks of summer training. From Ordnance Corps personnel at Montreal to Engineers at Chilliwack, B.C., Alberta cadets get a basic grounding in matters military, from polishing boots to leading a platoon into battle; from sleeping in slit-trenches to operating radar equipment.

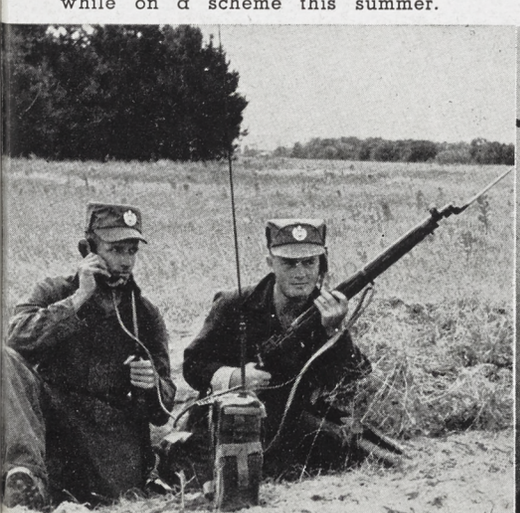

"Fire," and O/C Robin Stewart (back to camera) pulls the lanyard to send another shell away while O/C Tim Hayhurst-France (kneeling) stands by ready to reload. Accuracy, speed and precision are essential as these artillery cadets train at Camp Shilo, Man.

O/C Ralph Perry puts to practical use his university training during his posting in Germany. O/C Perry was one of three Alberta cadets to serve in Europe last summer with various army corps of the army.

O/C Jack Roberts (right) keeps watch for "the enemy," while his companion receives a radio message. These cadets are occupying a defensive bunker they constructed while on a scheme this summer.

"Over he goes!" O/C Dick Welsh is pictured here skimming over the pole vault bar during the annual Camp Borden Sports Meet. All Corps are represented by track teams and rivalry is keen.

. . . R.C.A.F. University Reserve

F/C Sheila Berry and F/C Jim Third and F/C Steve Bruskiewich at Aylmer, Ontario.

The 1954-55 term was a very successful one for the flight cadets of the Reserve University Squadron. Winter lectures were held each evening on a great variety of subjects. Special parades were also held, the most outstanding and successful being that on Remembrance Day.

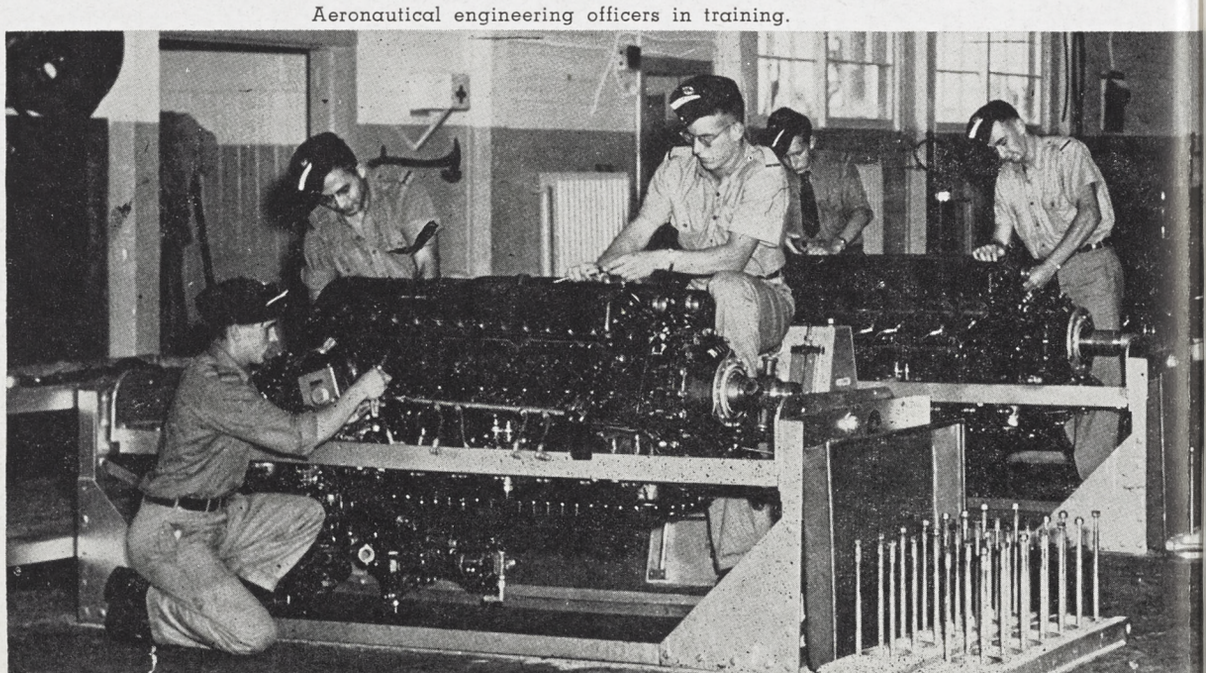

Probably the social highlight of the winter term was the Tri-Service Ball, which was held early in the New Year.

In the 1952-53 term girls were enrolled in the squadron for the first time, and this venture has proven very successful. The honor of being the first female flight cadet of the U. of A. goes to Marion Empey, Joan Tracy, Zonia Thachuk and Sheila Berry.

For the whole of the summer the cadets were sent out to R.C.A.F. stations across Canada. The first year girls went to London and the boys to Kingston for their basic training in such subjects as Service Law, Effective Speaking, World Affairs, Organization and Management, Ground Defence and of course the ever present Drill. After ten weeks the cadets went out on further training, while second and third year cadets attended specialized courses or rendered service as staff officers. Aylmer, Kingston, Clinton, Claresholm, Penhold, Moose Jaw and Winnipeg were some of the stations at which this further training was carried on.

All the cadets reported a worthwhile summer, especially those in Eastern Canada, where they were all able to visit such places as New York, Montreal, Niagara Falls, Detroit, Chicago and many others. Perhaps luckiest of all were Pilot Officers Harry Noble, John Agrios and Don Brown, who were stationed in Europe and were able to visit many countries on the continent.

HIGH IN VALUE!

Reddy Kilowatt is on top every time when it comes to value.

From the time you get up in the morning 'til you flick off the light at night he's there to help you — with the washing, ironing, cooking, cleaning, almost every household chore.

Add up all the chores he does in YOUR home and you'll agree that Reddy is your most dependable servant.

LOW IN COST!

And Reddy does all these chores for you, for less money than before World War II. Actually, on the average, residential customers get twice as many kilowatt hours for $1.00 than they did in 1939.

Yes, folks, while the cost of everything else has been going UP, the cost of electricity has been going DOWN. What else in your family budget gives you so much for so little money?

CALGARY POWER LTD. SERVING ALBERTA

THE OLD SOCK is one place to store your money, but it's more comfortable—and a lot safer—to keep it in a Savings Account at any one of the Royal's eight Edmonton Branches. Bank at least something out of every dollar you receive. It soon becomes a habit—and a good one. We welcome students' accounts.

We Don't Like to Boast, But

it is a fact that the record of The Mutual Life of Canada for low net cost life insurance is among the most outstanding on the North American continent. It is a good reason why you should choose this Company when building your life insurance programme.

We are proud of another thing — our representative's knowledge in insurance matters and their ability to assist you in selecting the right type of policy to suit your needs.

PROFIT BY EXPERIENCE

In a man's work he meets many problems which are outside the scope of his own knowledge and training. To solve such problems successfully, he is wise to rely upon the experience of others.

If any future problem of yours involves valves, remember that there is a wealth of solid experience upon which you can call: Jenkins' 80 years of experience in the design and manufacture of quality valves, as well as the experience of the thousands of industries which have learned to rely on those valves—knowing them to be the longest-lasting, lowest-upkeep valves that money can buy.

PUBLIC SERVICE

We are very proud of the men and women who represent this Company in the field.

Stress has been laid upon the definite policy followed in the development of our field forces. This policy is based on the belief that the buying public is entitled to and needs now more than ever before, intelligent, well-informed, conscientious advice and service in connection with the arrangement of life insurance estates, regardless of their size.

HOW THAILAND RICE MAKES DOLLARS FOR CANADIANS

Those big red Canadian-made Self-Propelled Combines that bring in the rice harvests of Thailand, Burma, India, Brazil and other far-off places not only help carry the name of Canada and Massey-Harris to over one hundred countries of the world—but bring back dollars to help keep Canadians prosperous. Because of the additional production in its Canadian factories, resulting from sales in these remote lands, Massey-Harris-Ferguson in 1953 spent in Canada for wages, goods and services $42,000,000 more than it received for its total sales in Canada of Canadian-made goods.

Thus has Massey-Harris-Ferguson created a greater market for the products of Canadian mines, forests and factories. This means more Canadian payroll dollars—to enable all Canadians to enjoy a high standard of living.

In 1944 we said:

"Think Big . . . *when you plan for Canada's future*

Make no little plans when you think of Canada's future . . . For Canada, when this war is ended, will stand on the threshold of a splendid and challenging opportunity. The need will be there, the time will be ripe, for vast, unprecedented development . . . By planning today, we purchase ready-made markets for tomorrow, markets which will absorb our fullest productive effort and thus create gainful employment for everyone."

—The above is an extract from an advertisement we published during March, 1944, in a wide list of publications.

IT WAS during the dark days of the last war that we wrote those words. Can anyone looking at Canada today, say that our confidence in the destiny of this country was misplaced?

Canada's Amazing Growth

The expansion in every phase of our national life since that advertisement appeared is a matter of record. The gross national product (the total value of all the goods and services Canada produces in a year) has risen from approximately $12 billion in 1944 to $23 billion in 1952 while the annual value of our manufactured goods alone has doubled during the same period.

From 12,000,000 in 1944, our population has increased by over two and a half million—which is like saying that more than three-quarters of the population of Norway, or more than one and one quarter times the population of New Zealand has been added during those years.

Despite the fact that Canada *still* has approximately only one-half of one percent of the world's population, she ranks third among the trading nations. Of the ten leading trading nations, on a per capita basis, she is first. It is estimated that by 1960 our population will have reached sixteen and three quarter million and by that year some economists believe the total value of our goods and services will have passed the $30 billion mark.

Electricity Plays a Vital Part

Since 1940 Canada's output of electric power has more than doubled. This extensive development of our power resources undoubtedly accounts, in part, for this country's rapid expansion. It is significant, for example, that we use about three times as much electric energy as the thirteen countries of South America combined, although we have only about one-eighth of their population.

Working Hand-in-Hand with Industry

We of Canadian General Electric are proud of the part this Company has always played and is still playing in Canada's remarkable development. Our great family of workers has increased from 8,500 in 1944, when the above advertisement appeared, to over 14,000 today. And since that time we have spent some 45 million dollars on new plants, new offices and warehouses—as well as on new equipment and extensions to existing plants.

Because it believes that "the best is yet to be" where Canada is concerned, this Company is even now stepping up the expansion of its manufacturing and distributing facilities to meet the increasing demand for its products resulting from Canada's phenomenal development.

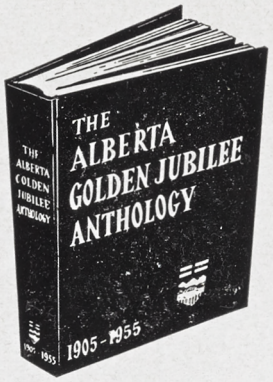

And so today, we again say confidently: THINK BIG . . . when you plan for Canada's future.

GOLDEN JUBILEE ANTHOLOGY

AUTHORIZED BY . . .

the Government of the Province of Alberta, the "Golden Jubilee Anthology" contains the finest creative writing of Alberta writers, fact and fiction, to present the Alberta story from the days of the early explorers and fur traders to the present time.

EDITED BY . . .

W. G. Hardy, Alberta's widely read novelist, and a board of Alberta writers, illustrated by H. G. Glyde, R.C.A., published by McClelland and Stewart Ltd., Toronto, the Anthology will consist of some forty articles on Alberta, some thirty fiction stories, a section devoted to poetry, fourteen full color kodachromes of the Alberta scene, and a special fine art section.

WORTH $8.50

ONLY $5.00

Golden Jubilee Anthology Copies May Be Obtained From:

GOLDEN JUBLIEE COMMITTEE

Room 119 Legislative Building, Edmonton

Certified Public Accountant . . .

Qualification as a professional accountant is available to Commerce and Finance graduates who are fully employed in accounting or auditing duties, in industry, the public service, or in public practice. Such qualification (Certified Public Accountant) opens the door to high level executive positions, and for practice as public accountants.

Training includes completion of a five-year course of instruction conducted for the Association by the University of Toronto Extension Department.

Exemption from the first-year course and the Primary examination may, upon application, be granted to Honour graduates in Commerce and Finance and an additional year may be allowed if the applicant has had acceptable accounting experience.

For further particulars apply to . . .

How big is a Profit?

A lot less than most people think! The only quarrel most people have with profits is ... they think they are too big ...

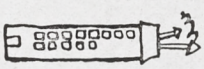

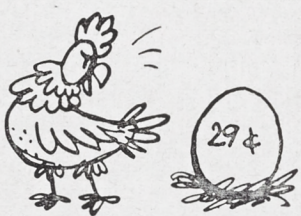

But how big is too big? To find out, survey people rapped on doors right across Canada.

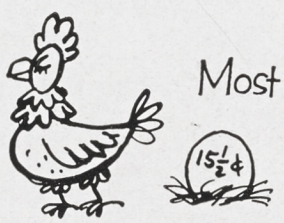

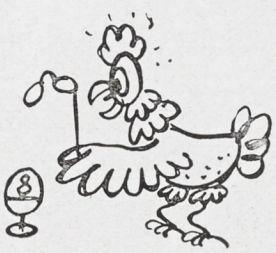

Most Canadians think companies like Imperial make 29¢ on each dollar of sales.

Most of them think such companies are entitled to make about half that... 15½¢ on the sales dollar.

Imperial's profit in 1953 was actually less than 8¢... less than a third of what most people thought we made.

. . . September

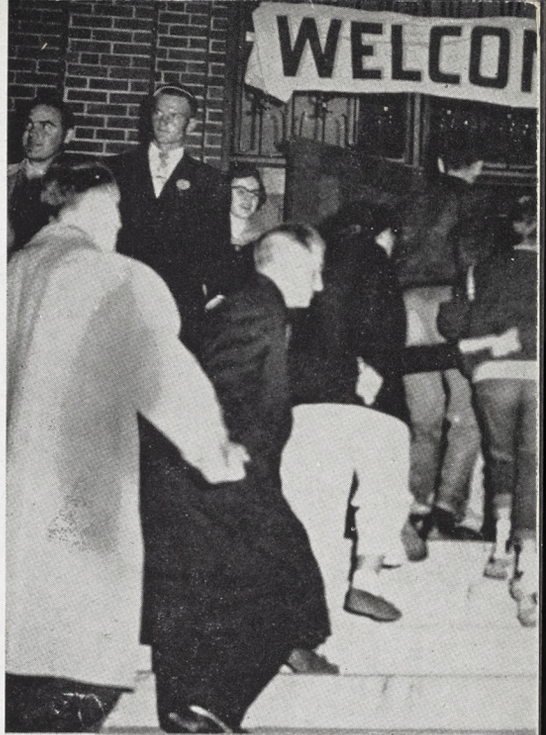

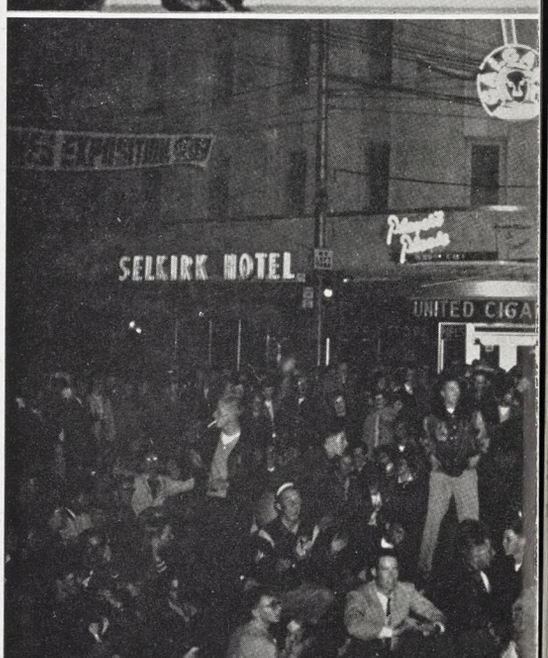

A shy young freshette arrives from the country for her first eager look at the campus.

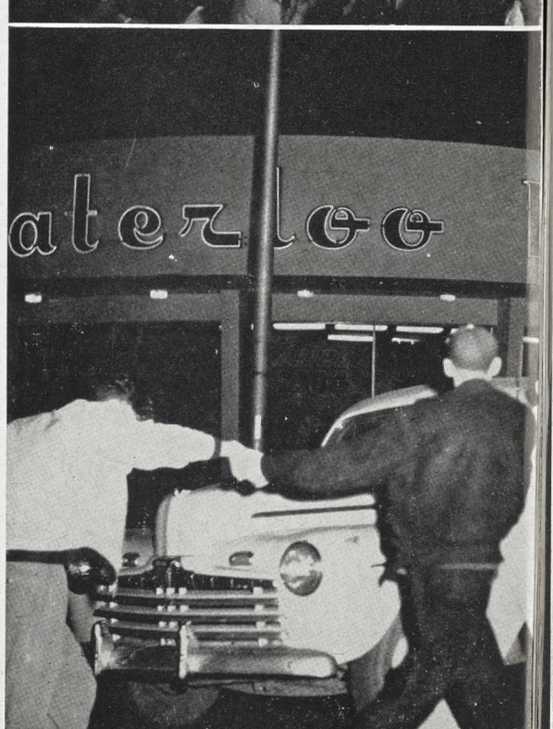

flustered frosh . . . sophisticated seniors . . .

Pay up Louie and cook a cow Pocohontes.

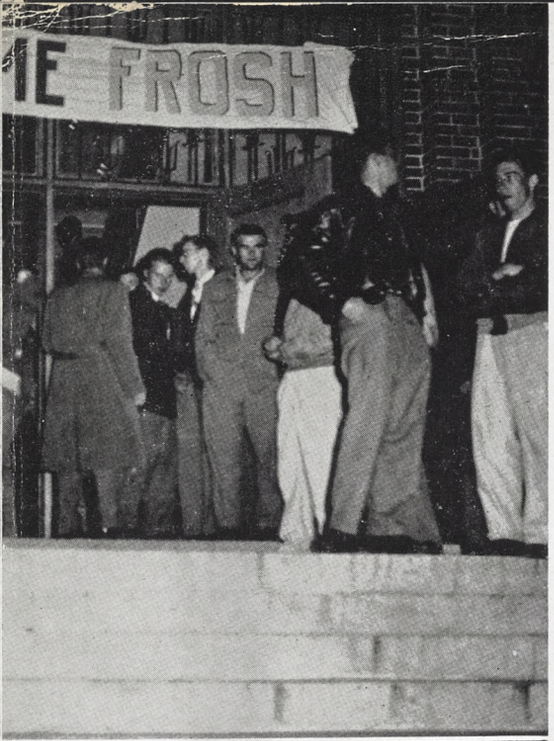

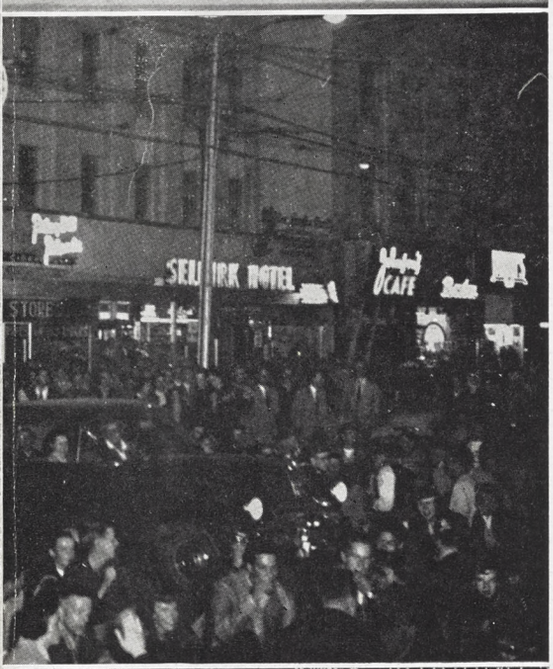

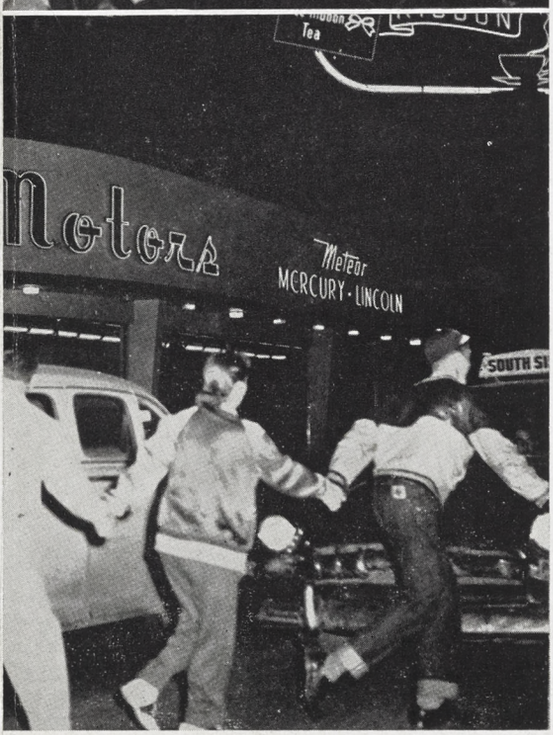

Lining up for Arthur Murrays.
A home away from home.
Watching the Fords roll by . . .

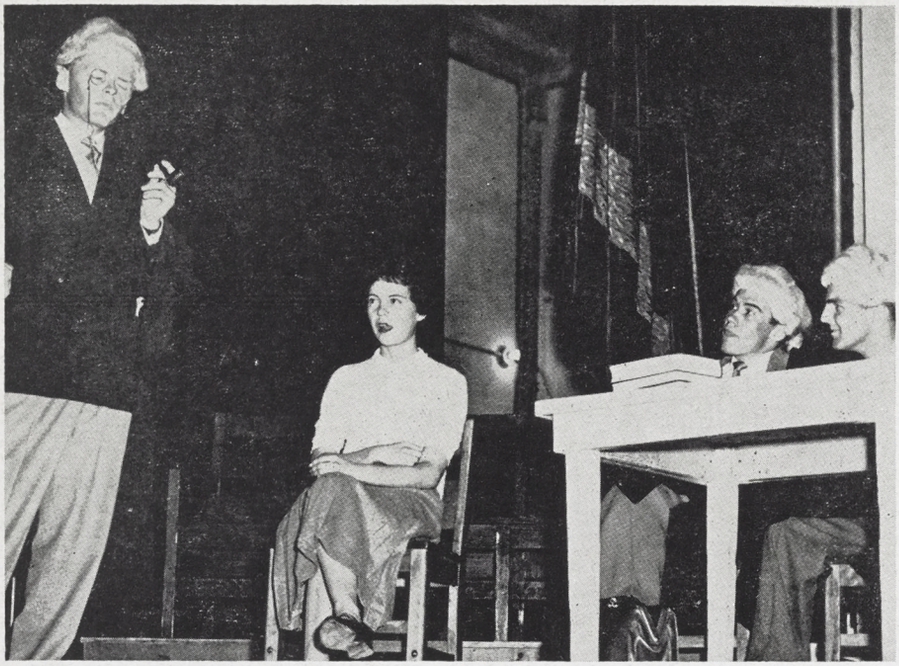

This was singing?

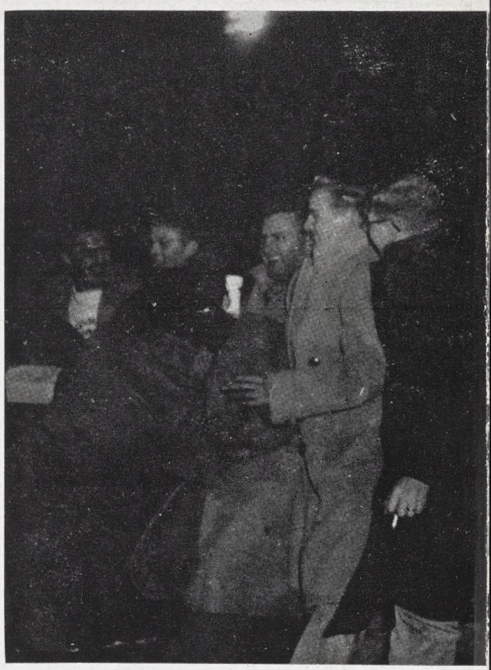

high jinx and hilarity . . . ring in a new college year

Bert Pearl and Kay Stokes at the Hammond.

The case rests until eight o'clock tonight, "Babe."

Andy Stewart's match stick boys.

. . . October

. . . arrives and the administration kicks a football and at students parades and at . . .

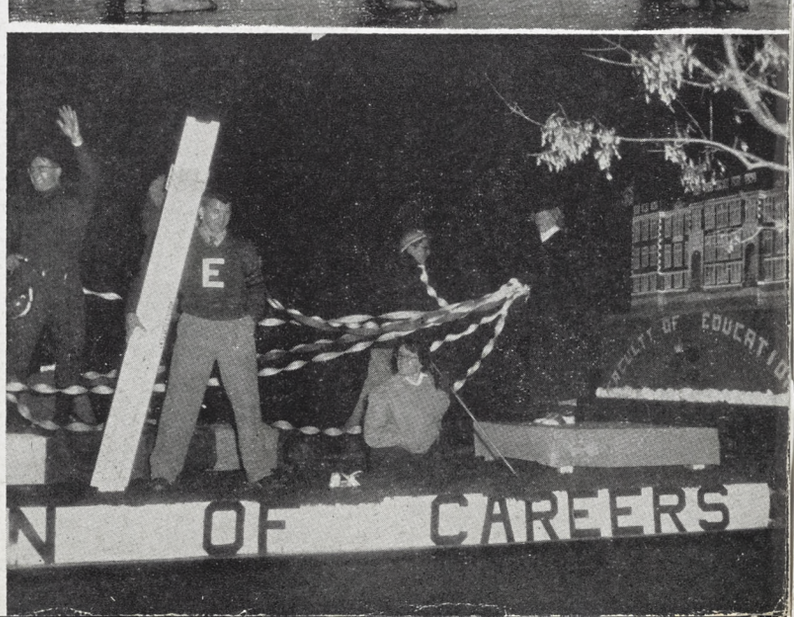

Thousands cheer as the old pro delivers in the clutch.

Hargrave, Campbell, Geddes, McAllister BACKS . . .

The Ed building takes its annual jaunt.

Who says there's beer in my blood?

TERRY DUNN

. . . Varsity Guest Week End

Which way is up?

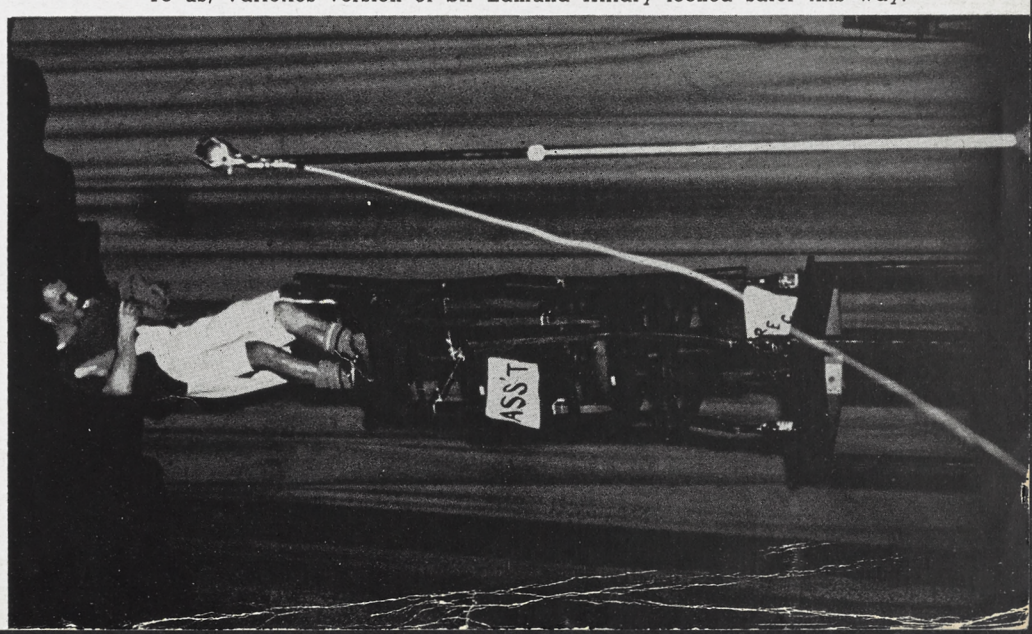

. . . here are some of the scenes that the 5,000 visitors saw in their week-end tour of the University. Faculty displays and Varsity Varieties helped to erase the memory of sore feet and freezing ears.

To us, Varieties version of Sir Edmund Hillary looked safer this way.

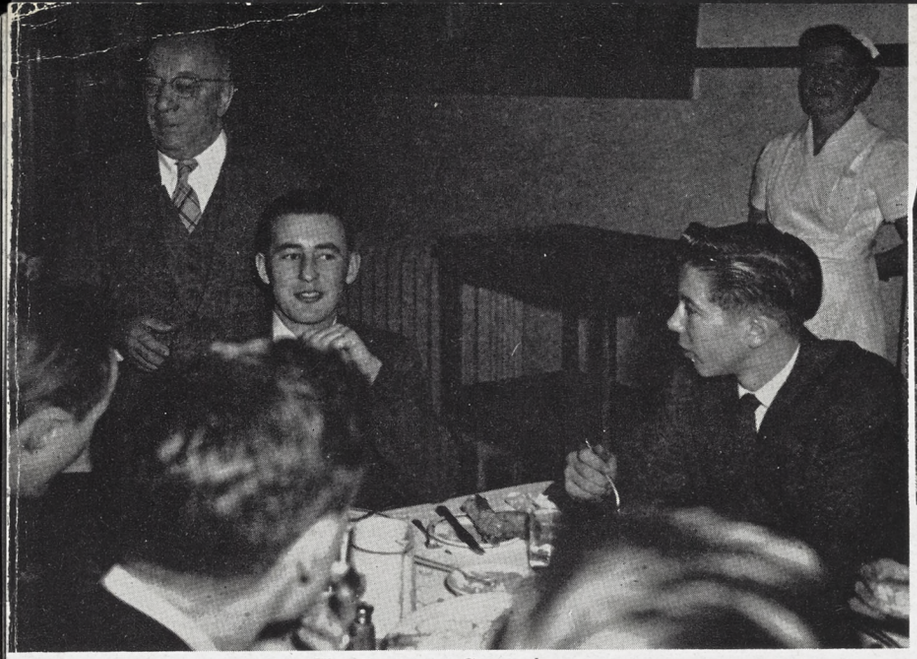

Phi Kapps come up for a fifth win.

. . . Song Fest

. . . and the fight for the big trophy

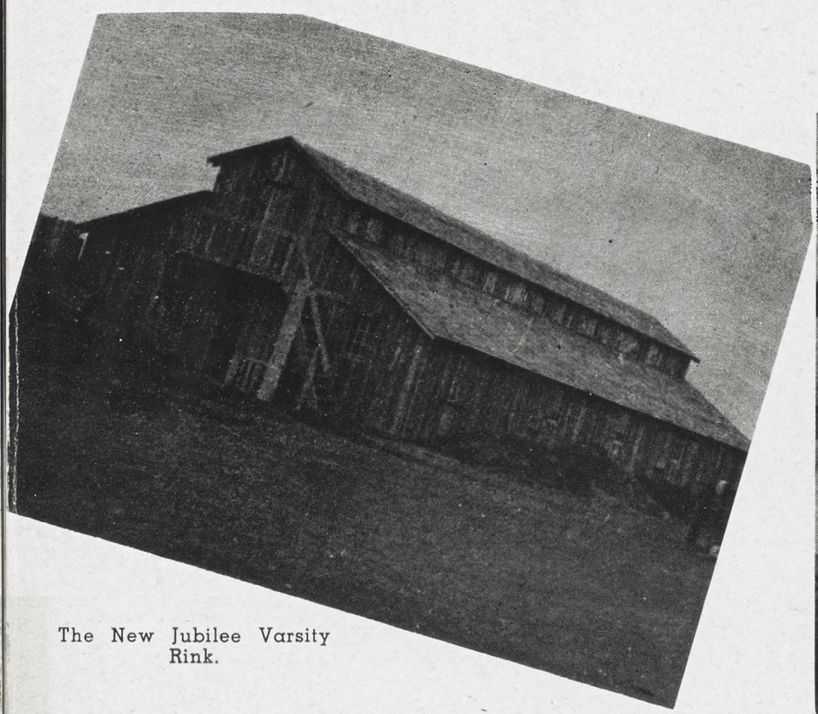

Thetas come up for a third win.

The Inspector General.

We can't believe it.

The New Jubilee Varsity Rink.

Engineers cast their ballots . . .

. . . for Queen Berniece to dance with Professor Scott

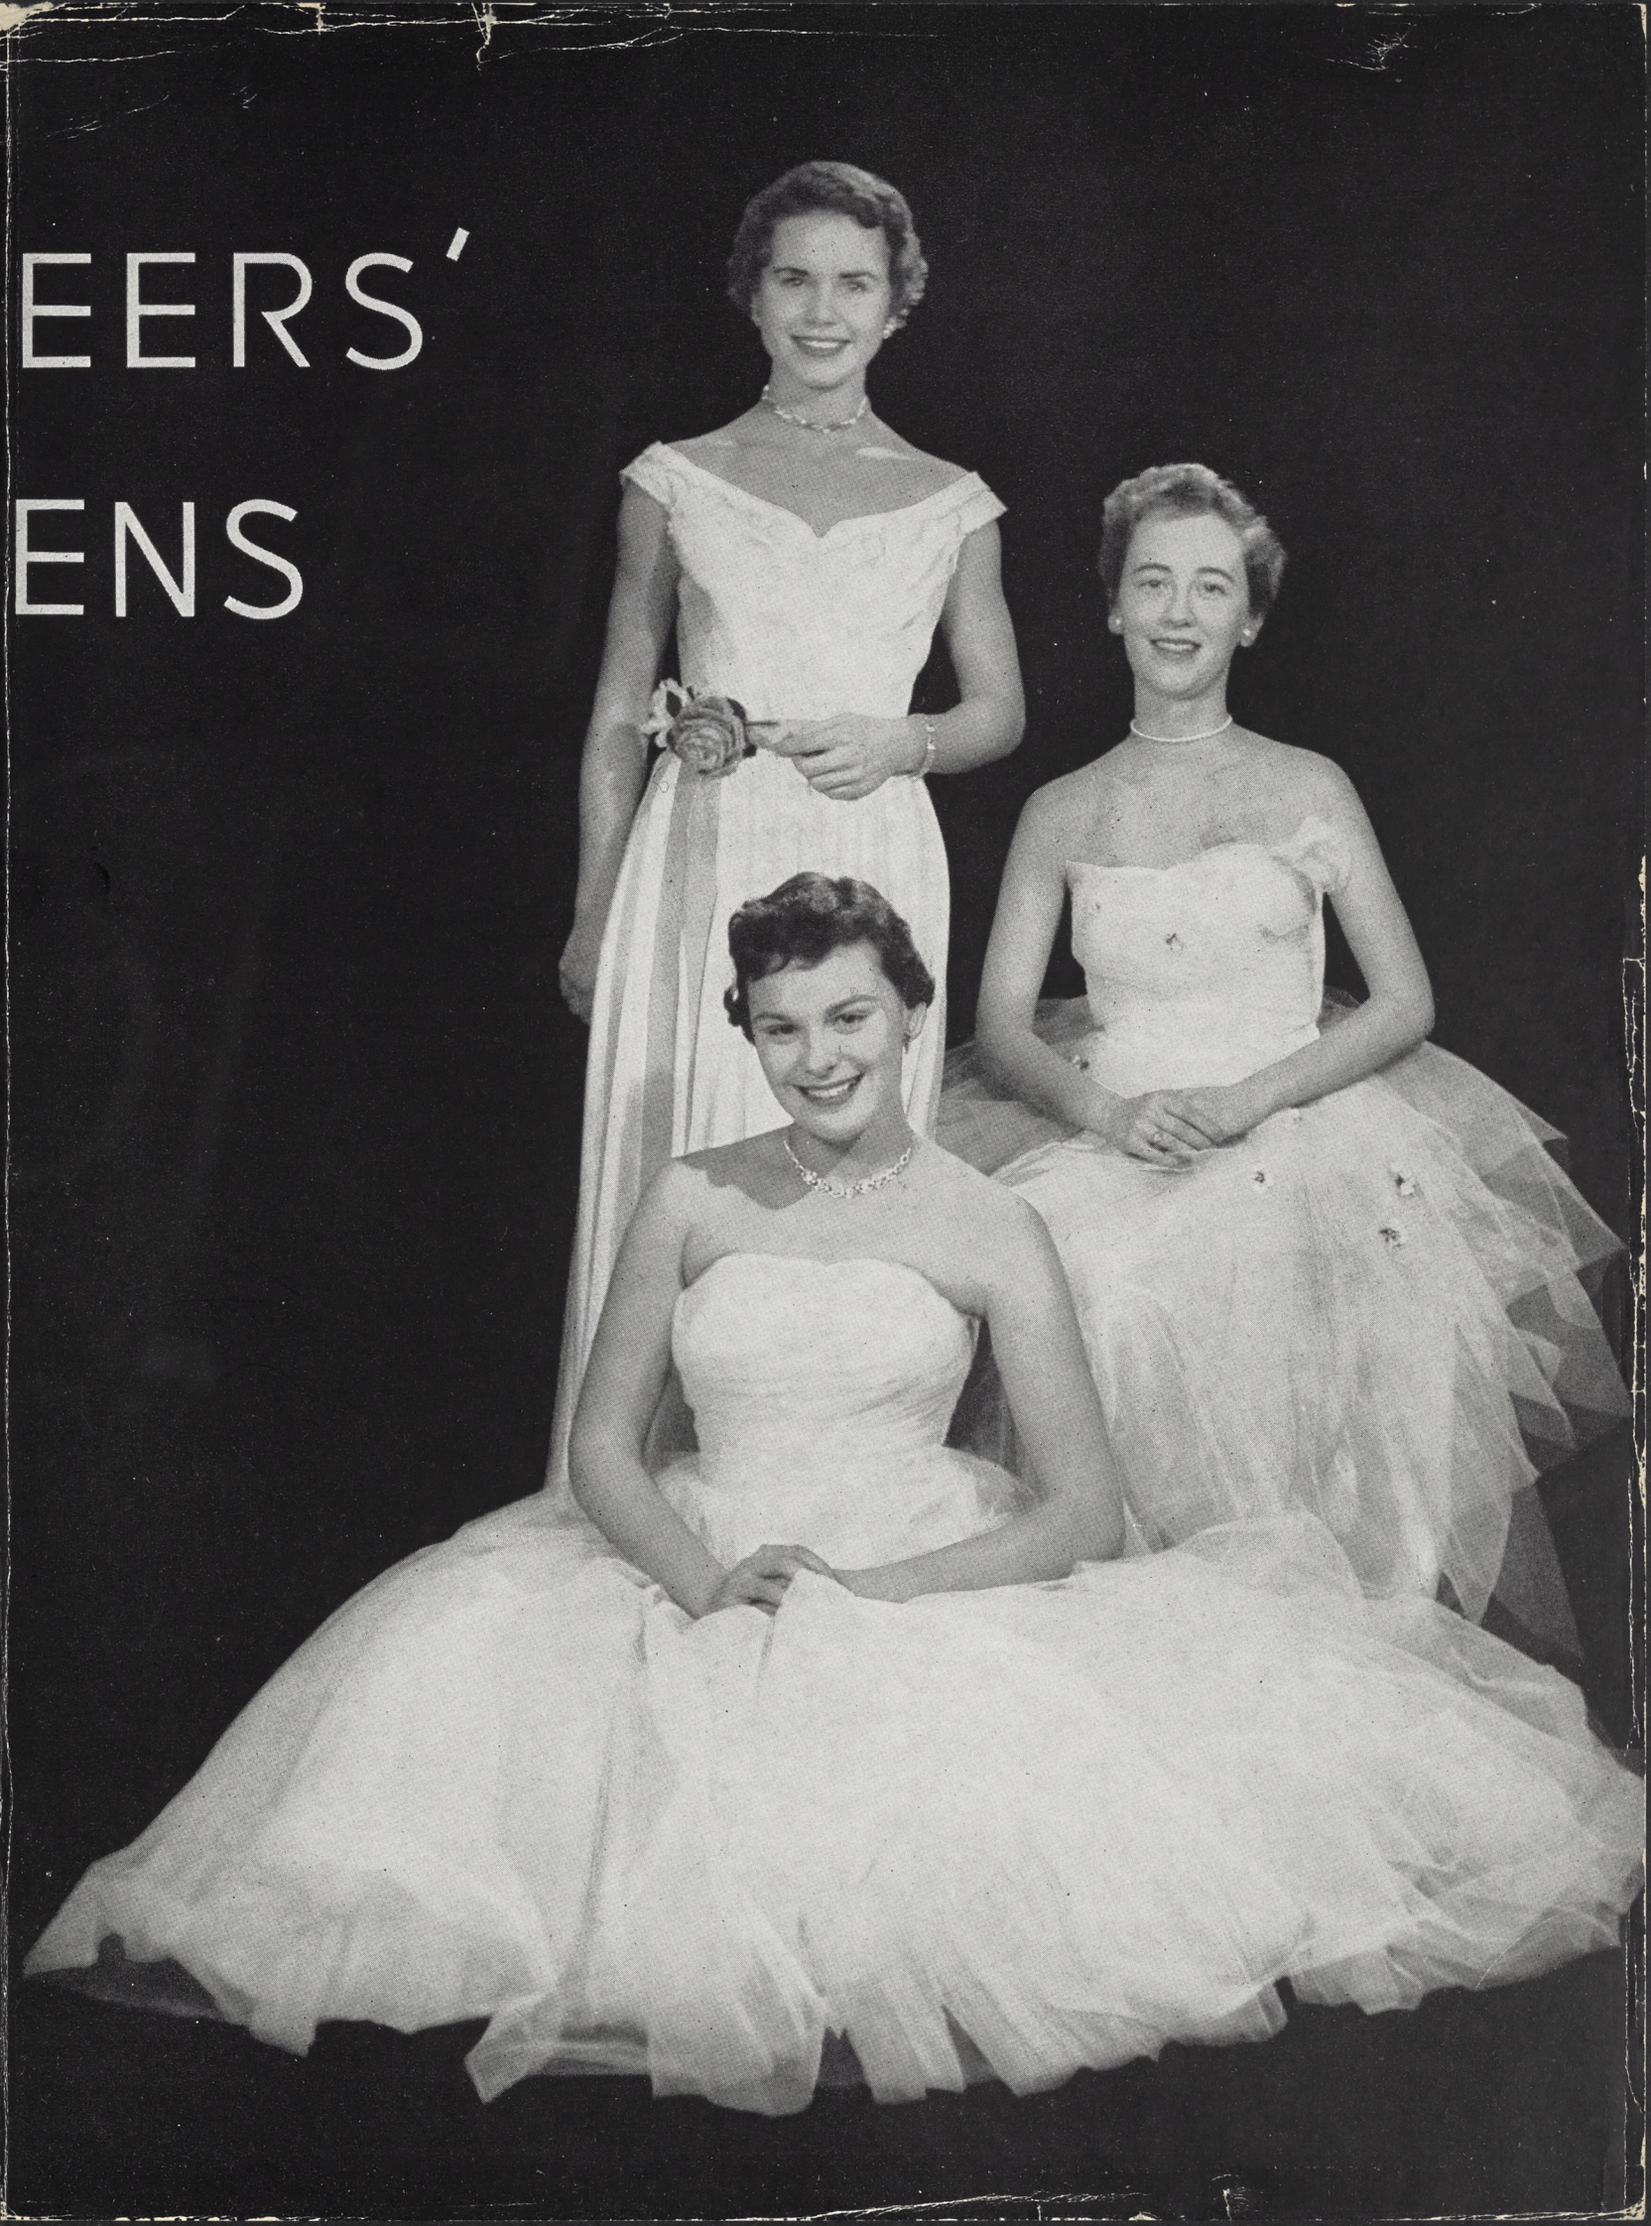

. . . as first year's candidate Berniece Donais is crowned Queen of the 1955 Engineers' Ball.

ENGIN
QUE

EERS'

ENS

The longest minutes of the day.

A death rush for souvenirs.

...Snaps

. . . this is your life and ours at university

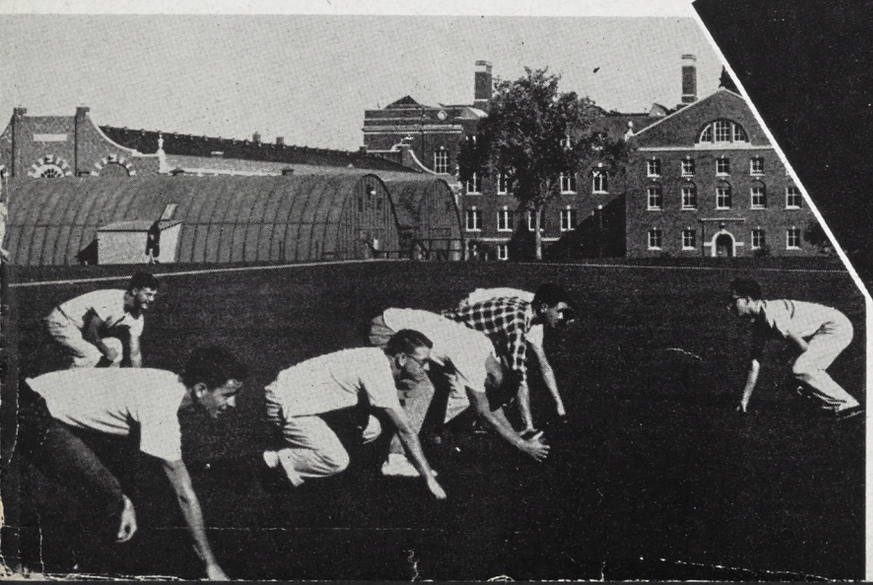

Sincerely yours from the Engineers who made them.

Lumber Jacks and Jills at the outdoor cabin..

The fall substitute for studying.

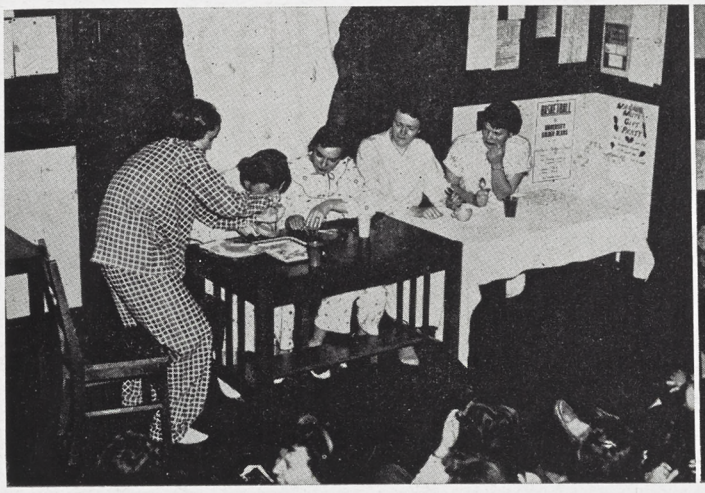

Miss Simpson's Christmas story gives the Pembina girls something to think about.

We have it that Snow White's seven dwarfs were NOT padded.

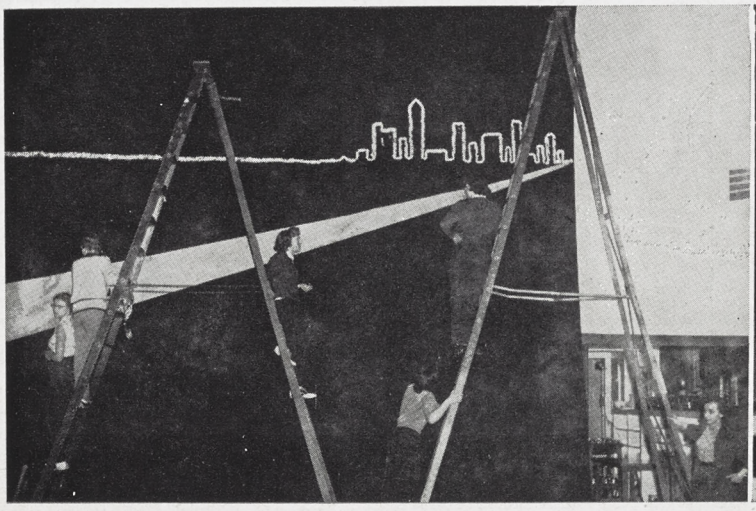

Pem performers give their impressions of "life in residence" or "how to win ulcers on cold toast."

Although angels seem out of place in Pem these girls dress the part . . .

. . . while other girls climb heavenwards to decorate for their dance and

. . . finally do some real down to earth decorating for their men.

. . . a week of revelry.

ARTSMEN!

. . . Engineers

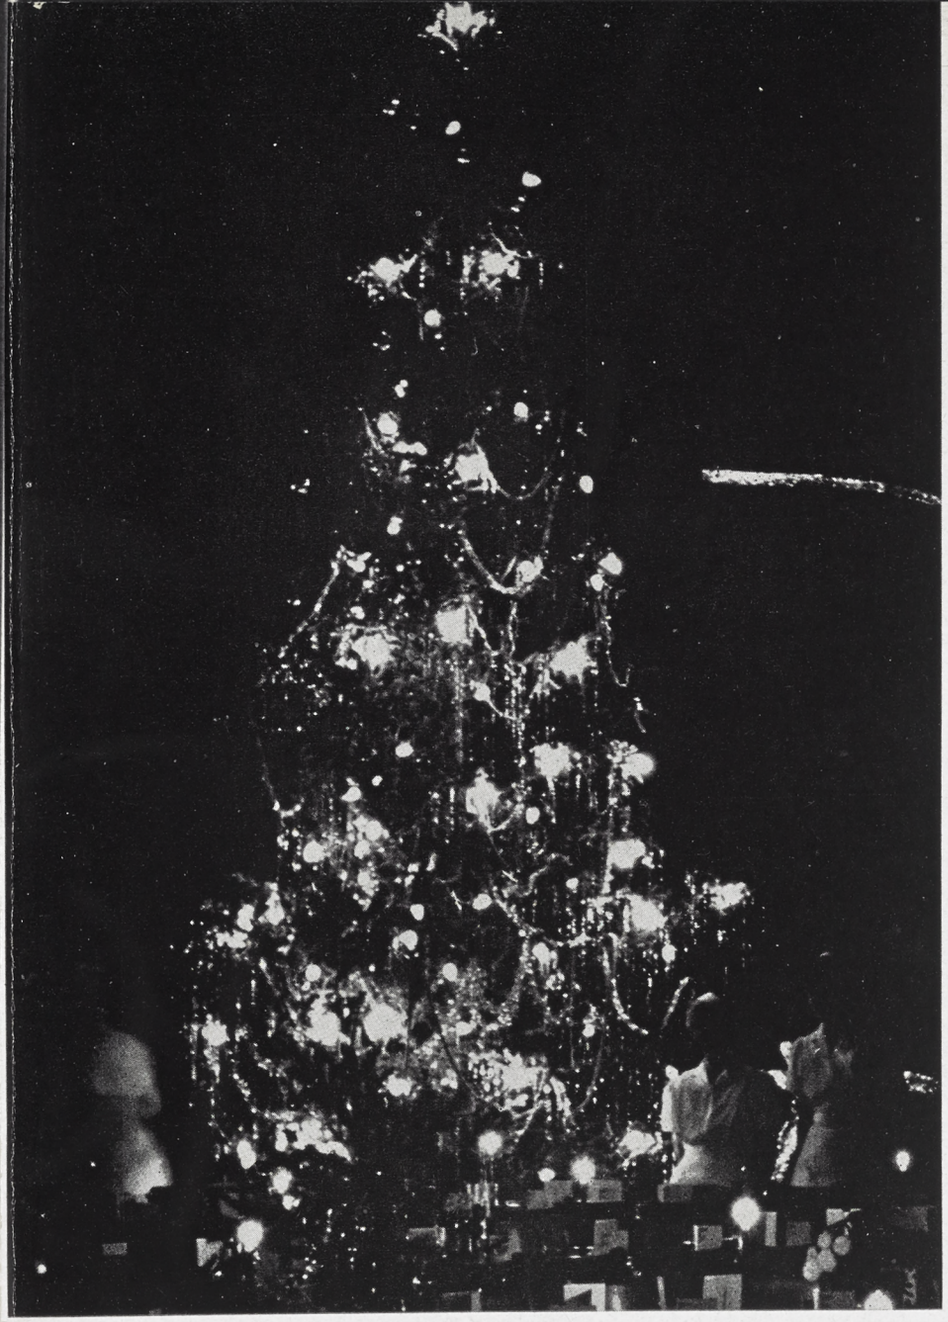

Alas poor Yorrick, we knew him well!

A lot of work for a lot of laughs by the second year boys.

Down the drain with the disciplinary committee.

Merry Christmas

. . . Residence

. . . where most of the out of towners wile away their freshmen year and the most successfull fibbers get back a second year.

The Duke of Paduka, Ed Hantiuk told us that . . .

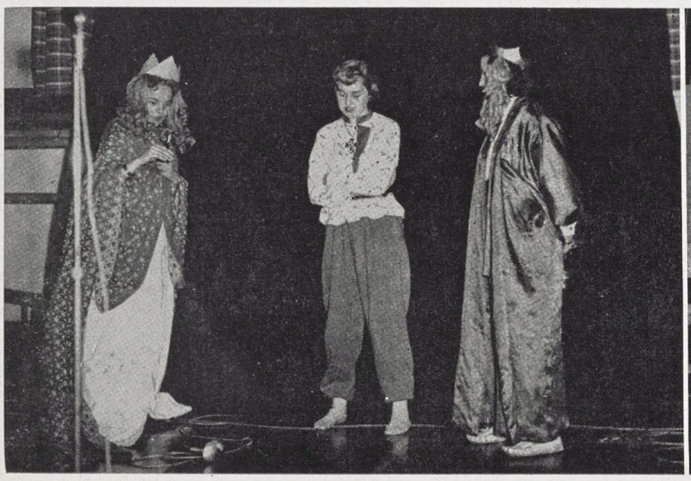

. . . the Pie Eyed Pipers of Athabasca lead the rats to chow because . . .

. . . at every breakfast sultry girls whisk past revealing last night's garters.

. . . yet at supper, the old Vic calls forth with Hamlet, Hamlet where art thou flown to . . .

. . . before Joyce Disha is caught smearing up Friday night's Rainbow stamp on Saturday night at the Athabasca dance.

Sasks, Fifth Avenue.

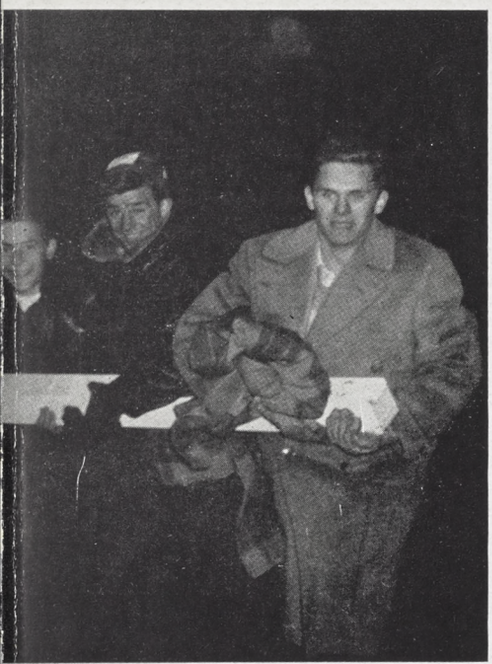

Caution—soft shoulders.

. . . Fashion Show

Bachelor of
Science or M.R.S.?

The lawyers carry out another case.

. . . and FRONTS Miss X, Milne, Brown, Weston, Hall

Grandma what big teeth you have!

A for anticipation.

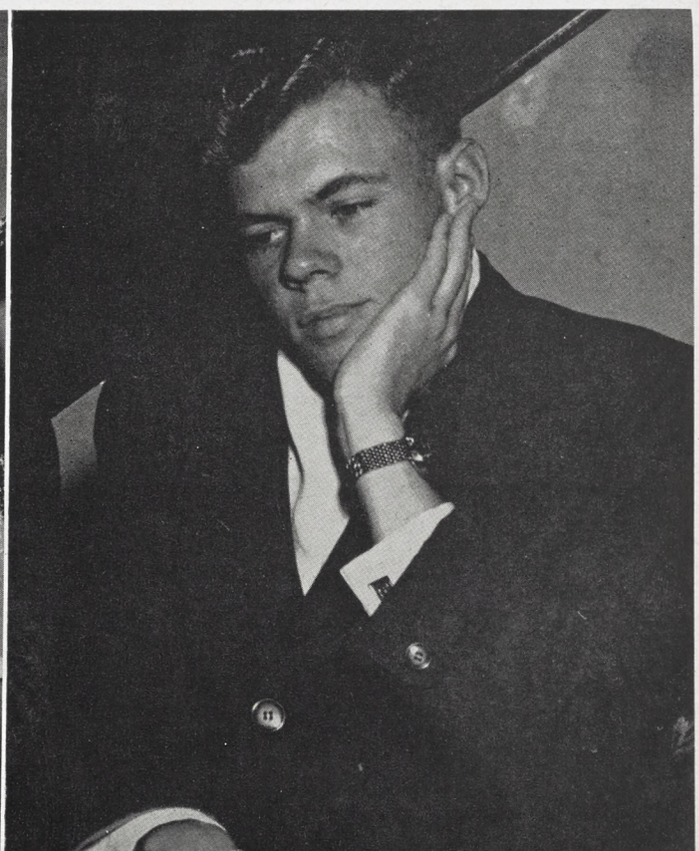

A little bit of heaven and a little bit of floor.

. . . Waunieta

"Oh, look, a photographer!"

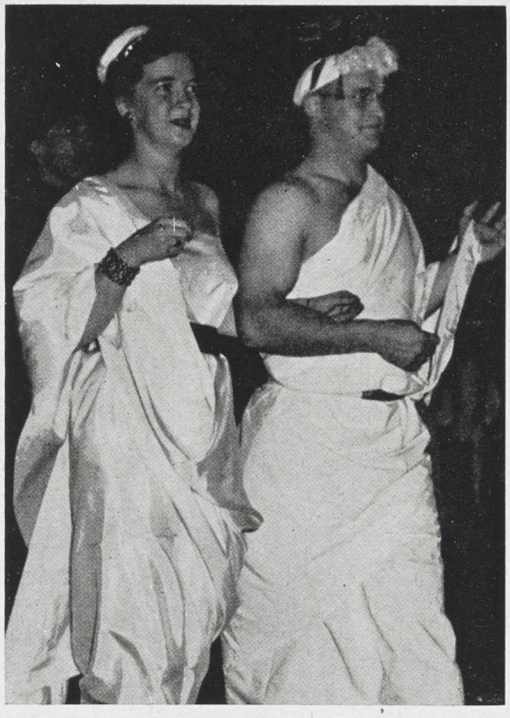

Louie got took.

Shiek's special.

Nero and Sapho doing the mambo at the Coleusium.

Harem hunter.

. . . Mardi Gras

King candidates DEWAR, His Majesty PEACOCKE, CRYSTAL and BUCK playing . . . one potatoe . . . two potatoe . . . at the annual Mardi Gras frolic.

Excusez-moi mais votre slip est non discernible.

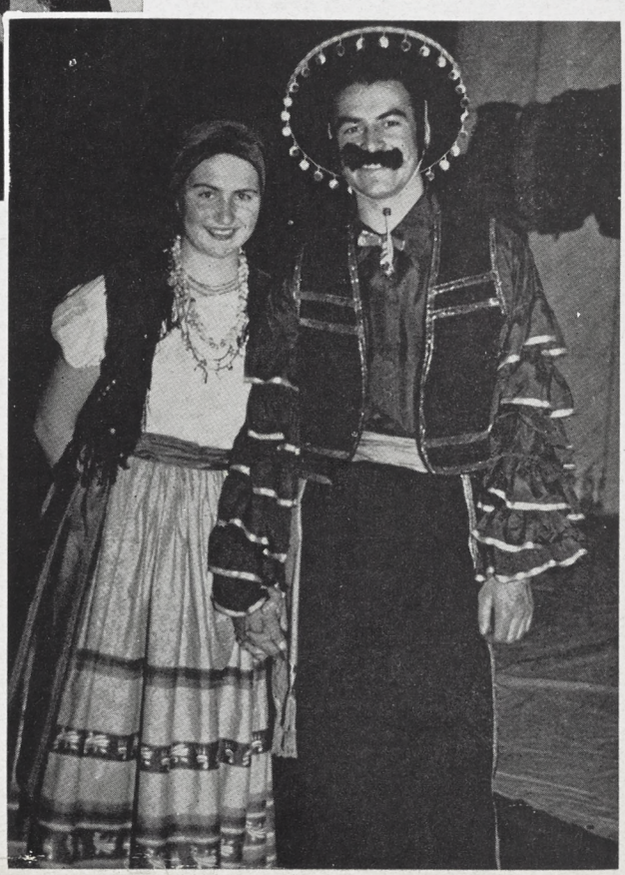

The Cashmoe gets a deal..

And the devil said to the pirate girl let's try your den!

Adios Senor—your moustache tickles.

Believe it or not sex is here to stay.

. . . W.U.S.

. . . World University Service—a thought for students in foreign lands

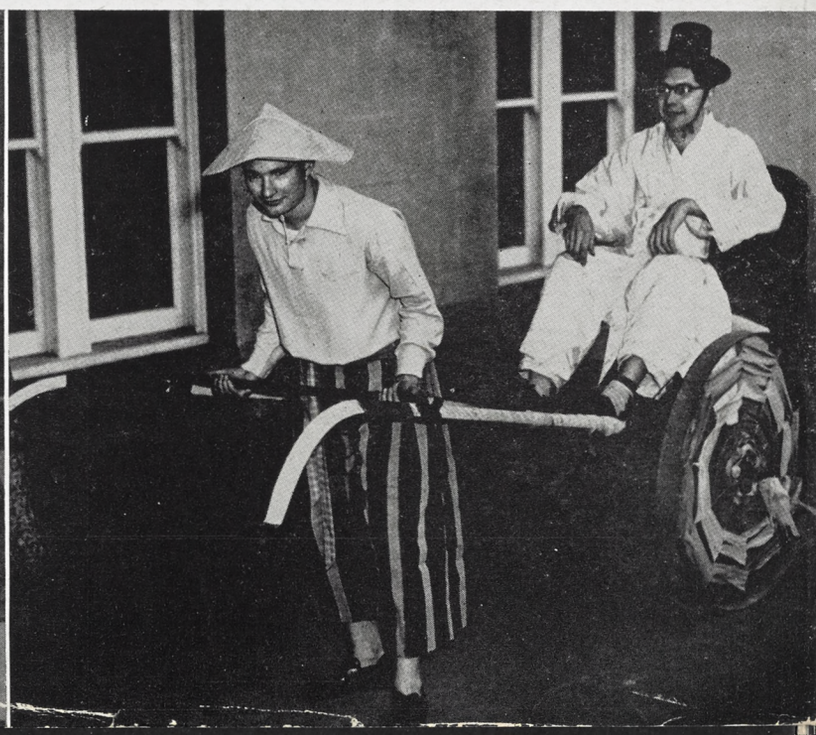

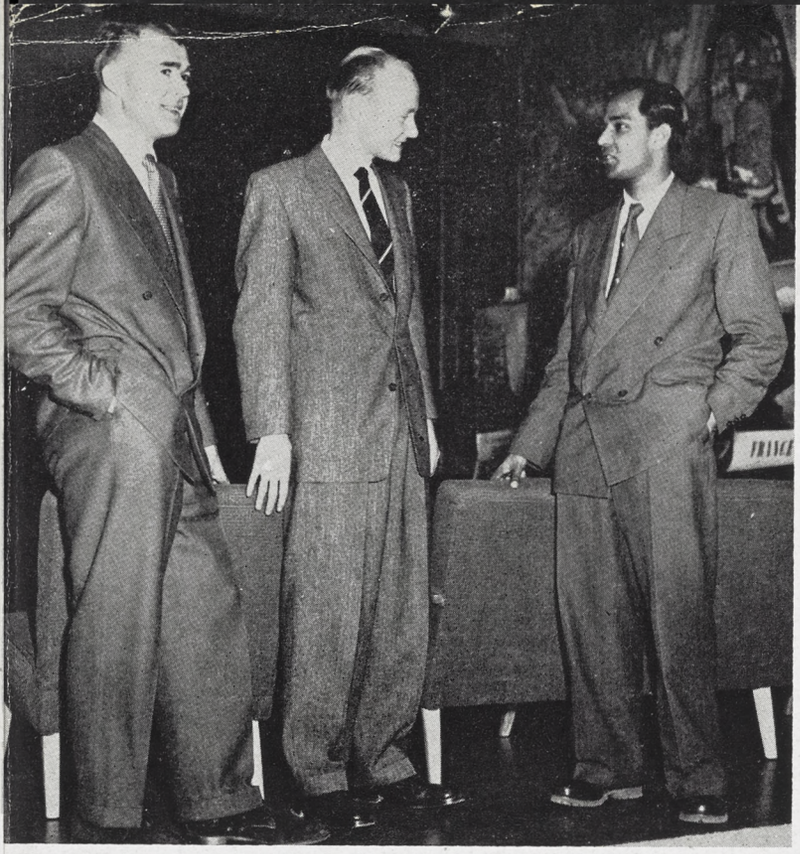

Three little maids from school Yum Yum, Petti Sing and Peep Bo

Nurses on their knees "do better for WUS."

Singapore Sam and Hong Kong Harry invite students to the Dance of the Monsoon.

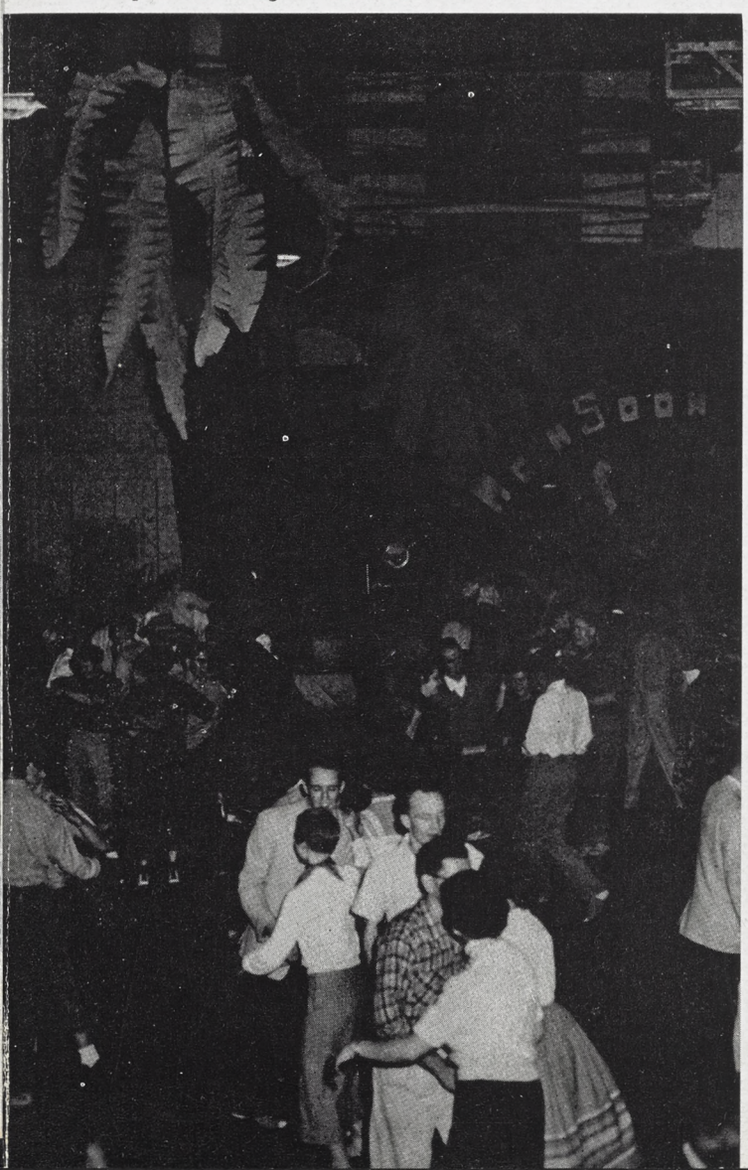

Karl Puffer, Bob Edgar, Louis Perinbam plan busy week.

. . . and its the second stop on the left side of the tracks.

Square dancing at the dance of the Monsoon.

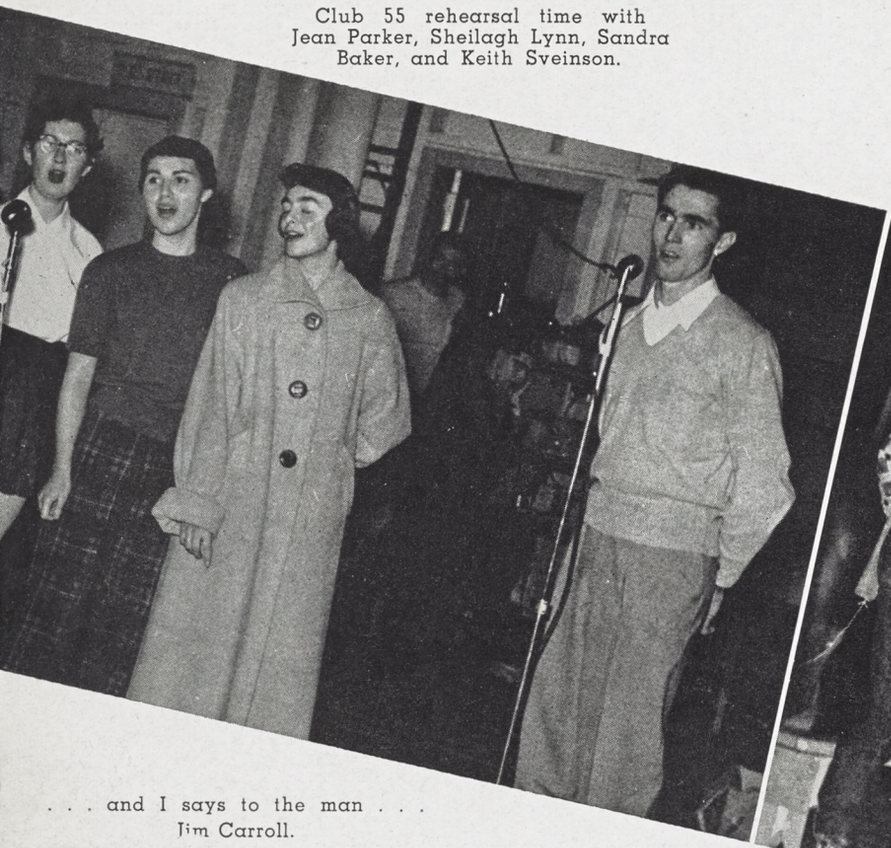

Can't make it tonight honey—the French ambassador just arrived.

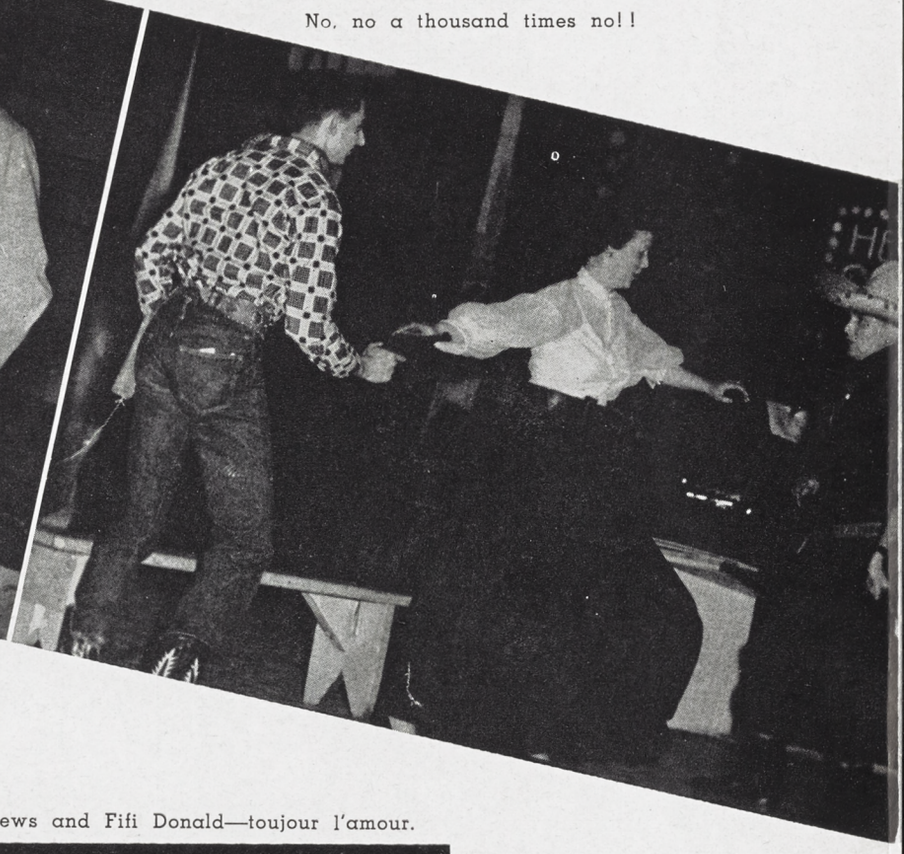

Club 55

Club 55 rehearsal time with Jean Parker, Sheilagh Lynn, Sandra Baker, and Keith Sveinson.

No, no a thousand times no!!

. . . and I says to the man . . .
Jim Carroll.

Jean Matthews and Fifi Donald—toujour l'amour.

Wild Bill Porter draws again.

Night club air takes over the Varsity gym and four old married couples make like they have the money to spend on the gala review.

Shirley Slotzer sang "In the Evening by the Moonlight" until she lost her skirt, later in the act.

Stand back boys this is just to look at.

. . . where fraternities combine talents to present a floor show and dance in hope that a war orphan will benefit.

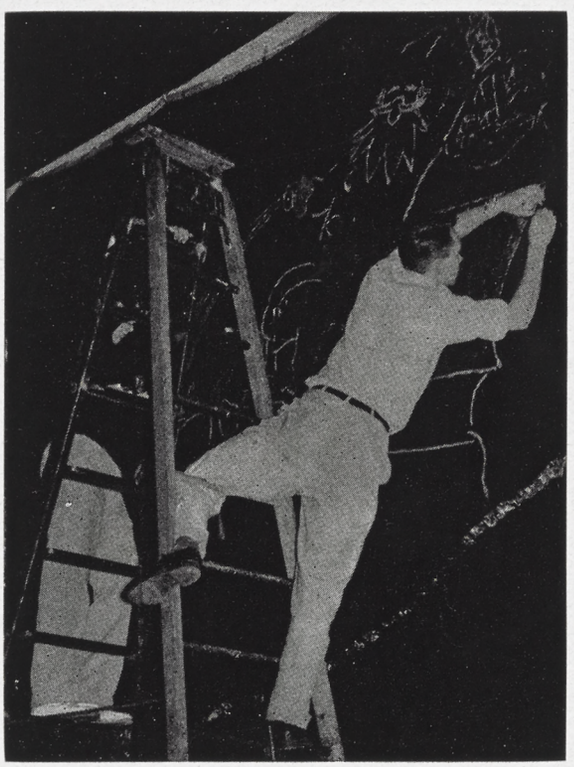

. . . December

. . . decorating

. . . dancing

. . . dining

. . . ring in the
festive season
